Customer Reviews

“This is middle grade fiction at its best. A fantastic debut novel with plenty of laughs and tons of heart. *Invisible Emmie* is unforgettable!” (Lincoln Peirce, author of *Big Nate*)

“This funny and heartfelt tale will ring true for anyone who’s ever felt

invisible.” (Victoria Jamieson, Newbery Honor author-illustrator of *Roller Girl*)

“Clever, funny work by a great cartoonist. Reading *Invisible Emmie* sums up middle school: You laugh, you

cry, you get beamed in the head with a volleyball.” (Stephan Pastis, author of *Timmy*

Failure) “In her first children’s book, cartoonist Libenson offers strikingly different

visions of seventh grade through two very dissimilar narrators. A well-executed twist will have readers flipping back to see what they missed while cheering the strides made by Libenson's no-longer-invisible heroine. (Publishers Weekly) "With all-too-familiar middle-school drama and an empowering lesson about speaking up and bravely facing down embarrassment, this should find an easy audience among fans of Wimpy Kid or Dork Diaries books. (Booklist) "Many readers will recognize themselves in Emmie and her friends, who are at once self-conscious and eager to be seen for who they are. A highly relatable middle grade drama. (School Library Journal) Libenson's clever tale will entertain readers in the throes of middle school as well as younger students both wary of and intrigued by their near future. (The Horn Book)

Half-illustration, half-text. The drawings are a bit more cartoon-like, but really beautifully done. Wonderful story for girls who sometimes feel that they blend in to the walls so well that they almost don't exist...and how there is hope, even then. It's not necessarily "for" or "about" introverts...but it touches on many experiences that introverts can relate to. I highly recommend for introverted girls who don't want to be the center of attention, but who don't really like being completely invisible either.

Great book, and the shipping was very fast! My daughter was so happy to get this book so fast.
