# The Clover Curse (The Adventures Of Sophie Mouse)

## Synopsis

Sophie finds a four-leaf clover that isn't exactly lucky in the seventh book of The Adventures of Sophie Mouse! Sophie Mouse is painting in Clio's Clover patch on a beautiful spring day when she spots something unusual. It's a clover but it has four leaves! Four-leaf clovers are supposed to bring good luck, right? Sophie waits and waits for this good luck, but it seems like just the opposite is happening. She spills paint all over herself, she doesn't have any fun daydreams, and she forgets about an adventure she was supposed to go on with Hattie! Will Sophie ever be able to break this Clover Curse? With easy-to-read language and illustrations on almost every page, the Adventures of Sophie Mouse chapter books are perfect for beginning readers.

Poppy Green can talk to animals! Unfortunately, they never talk back to her. So she started writing in order to imagine what they might say and do when humans aren't watching. Poppy lives on the edge of the woods in Connecticut, where her backyard is often a playground for all kinds of wildlife: birds, rabbits, squirrels, voles, skunks, deer, and the occasional wild turkey. Jennifer A. Bell is an illustrator whose work can be found on greeting cards, in magazines, and in over a dozen

children's books. She lives with her husband, son, and cranky cat in Minneapolis, Minnesota.

## The Clover Curse

This series of books is amazing. We are reading them to a 3 & 5 year old at bed time. They are so excited to go to bed because it is story time and they can't wait to find out what happened next. Each book is full of adventures and laughs. There is a lesson to be learned in each story and the kids get the message. It's great. We read the first 2 and then couldn't wait to get all the rest.

I use these for homeschool for my daughter and they are really nice for that...not too hard (she's 6) but not silly easy either...chapters but with pictures so she stays more interested...they have been perfect for her school this year and even I enjoy the stories =)

Buying the entire set of Sophie Mouse books for a birthday present for a grandchild. Cute stories and very well illustrated. Good pricing on . Ellen P.

a little boring but its ok for bedtime reading. my 6 yr old is too young to read on her own yet

My 6 year old LOVES this series! Great books!

Great series for young girls.

This is a great series. If you want to get your child to read, this is the set. Purchased one book for our granddaughter, then got the whole series because she enjoys it so much. Even her brother loves it. They didn't want me to stop reading after two chapters, always wanted to go on.

Sophie Mouse is a good book. - from a five year old-
