Customer Reviews

Was very helpful for the course. I even kept it for subsequent courses. Definitely a better price than what my college is selling it at.

This textbook is absolutely terrible! The online assignments are even worse! It should be a crime to use this in university classrooms. I thought when I signed up for French this book was going to be well structured and beginner friendly, but it isn't. It's poorly organized and lacks in depth explanation of why certain things are the way they are (an example is words having a certain sex). The book simply telling me a certain word is masculine but failing to explain why that is so is useless. I don't

pay thousands of dollars in tuition to memorize things. I want to understand the concepts behind things and understand why they are the way they are. This book fails to do something as simple as that. Furthermore, French is a WRITTEN language so this book should start off by teaching us the alphabet and basic grammar, but it starts off by teaching you a bunch of random words for the first chapter (this is a preview chapter, but still). For those wondering, I have not dropped the class, nor do I plan to (I need the credit). If you plan to study French on your own DO NOT use this book. Long story short, buyer beware. It's a trap....

Giving one star for the Kindle version. You can NOT open this book if you're running Windows 8. It appears in the book list, but will not open. Customer service could not give me a clear reason why it won't work.

A pretty good text book! I had to use this for one of my french courses at university and it was really helpful and had a sense of humor.

Mediocre introductory textbook.

The kindle version of this book only works for one device which is MAC laptop but does not work on any other devices such as android or windows OS. I am very disappointed. I need my money back.

Never rented an book before, but I'm pretty pleased! Definitely very cheap and only slightly beat up.

We don't use it a lot in class, but it is still a good book for beginner's French.
