Book is a great idea, very useful for pronouncing words correctly. A couple of chapters are helpful for learning simple phrases but I am wondering why phrases such as "That's stupid" and "We're

crazy" are included. Lots of words too that you won't need to remember while traveling such as huit choux (eight cabbages), des papillons (some butterflies) or six flutes (six flutes). Nevertheless, I will keep studying the book for my next trip to France and I did buy the Chinese version to help me with a few phrases when I go to NYC Chinatown and the Spanish version to help me everywhere else. I would recommend this book for beginners as easy to read. I read 4 or 5 books and tried to get thru numerous guides on CD and this book was the easiest to use.

I was headed to Normandy with my fiance and we don't speak a word of french, turns out most of the locals knew at least some english but this book was good for helping us figure out pronunciation. That said, it's a very small book. You should pair it with others so you can make new sentences. Fun for kids. Arrived on time and undamaged.

A friend fluent in French says my accent and pronunciation are pitch perfect when using these cards. Very fun and educational. I wish there were additional versions. A must for anyone exploring this language!

This book allows you to speak perfect French by just pronouncing what you see in word and picture. The only negative is that it is not like a French dictionary, so it would probably not be helpful on a trip, but a cute way to learn some French conversational words. Whoever thought of this is brilliant. I would like to see a more complete "dictionary", but still give this high marks for what it does have.

Great book! Very funny and great for beginning French, especially you don't know pronunciation. My French Canadian family really got a kick out of it and my son's French 4 classmates loved the pronunciation explanations and pictures. Helpful and funny at the same time!

Excellent slanguage with illustrations and pronunciation guide.

Very good. Helped me a lot. I enjoy learning French this way.

A++++++
