Tacky Goes To Camp (Tacky The Penguin)

Synopsis

Tacky and his fellow penguins are off to summer camp in Nice Icy Land to enjoy themselves while Rock Hopping, Line Dancing, and playing Capture the Ice Cube. One night, they gather around the campfire to sing, eat s'mores, and tell scary stories. But after going to bed, something straight out of one of their scary stories pays the sleeping penguins a visit. Goodly, Lovely, Angel, Neatly, and Perfect think they should high-tail it out of there, but it is Tacky--with some unexpected heroics--who saves the day. Includes lyrics to the official Camp Whoopihaha song!

Tacky the penguin is a real odd bird, as his ever-bemused but loyal friends would confirm. One summer, the six little penguins attend snowy Camp Whoopihaha, where Tacky doesn't exactly pull his weight in rock climbing or follow the crowd during synchronized swimming. But when a bear threatens the campsite, Tacky and a few dozen smoothies save the day. Lester's well-paced, witty tale is sure to please fans of the Tacky series, while the colorful ink-and-wash artwork will have them laughing out loud. A refreshingly different summer-camp story, this is a fine addition to a consistently amusing series. *Preschool-Grade 2.* --Carolyn Phelan --This text refers to the Hardcover edition.

cue book love tacky

This was a gift for a 5 year old. She was thrilled with it.

My niece is a teacher in Arkansas. Her 1st grade class is sorely lacking in enjoyable books for afternoon reading. I purchased every 'Tacky' title available on Amazon and sent them down to her. I figured penguins in Arkansas would be a novelty for the kids, and they LOVED it!! The 1st graders love Tacky and his crazy adventures; he's always faced with a perplexing problem, but seems to make the right (sometimes tough) choice to solve it. Good lessons for children!

It is in a cute series featuring the same clumsy a-little-outside-the-club penguin who finds a way to make himself useful in the midst of his bumbings. If your kids like seeing the same character in a variety of situations, start their Tacky collection and add this book to their library.

Love Tacky!

This was one Tacky too many; became too predictable even for my four year old granddaughter.

Great!

Not to ruin the book, but the s'more monster is SO Tacky. We made great connections to our own camping experiences. Another great book by Helen Lester and Lynn Munsinger
