Planning Your Trip To Bali: The Ultimate Guide For First Timers

Synopsis

My husband and I travelled to Bali in January 2017 and we will never be the same again!! It was incredible!!Bali is rich with culture, history and tradition!! The island is packed with breath taking temples...gorgeous beaches... lush green jungles...the kindest people you'll probably ever meet...the most amazing/healthiest food you'll ever eat....incredible volcano's and mountains you can hike & underwater world's to explore and dive into.The list goes on and on..but it's so much more than that... it's so much deeper than that. Anyone who travels to Bali can relate to and feel the magnetic, powerful, spiritual energy of this magical island!!!It sucks you in...and fills you up!Bali is where you go to connect with yourself. Bali is where you go to connect to something greater than yourself. Bali is where you go to have an adventure...both externally and internally!!! I wanted to create this guide because when my husband and I were planning our trip to Bali there was so much to learn, so much to know, so many details, and we made a lot of mistakes along the way!!!I'm a total research junkie so I spent hours and hours and hours planning, talking to other travellers and learning all there was to know about getting to and staying in Bali.I love research and planning but I felt a little overwhelmed at times so I wanted to break it all down, make it super simple and give you EVERYTHING you need to DO in order to prep for your trip to Bali and EVERYTHING you need to know once your there!This comprehensive guide is long and very detailed, but I'm giving you the inside scoop and all the resources I'd wish I'd had when I was planning my trip!There is a lot of info jammed into this guide.If you take a little time to read this guide and take notes, I promise your visit to Bali will be easy, seamless, and so much fun!!This E-BOOK is geared towards all the practical and the logistical stuff, which isn't necessarily the most fun, but it's all the stuff you really need to know and understand in order to set yourself and your trip up for success.It's filled with the important must know's for planning and preparing for your trip, and important things to know and understand once you get there.Don't worry I've included tons of super fun and informative Blogs and Vlogs...to help you plan what to do when you get to Bali...what to see, where to eat, and how to have the MOST FUN!!Cheers To Travel & New Adventures!!
