How To See: Looking, Talking, And Thinking About Art

Synopsis

A master class in contemporary art by one of the preeminent painters of our time. How does art work? How does it move us, inform us, challenge us? Internationally renowned painter David Salleââ ¬â,¢s incisive essay collection illuminates the work of many of the most influential artists of the twentieth century. Engaging with a wide range of Salleââ ¬â,¢s friends and contemporariesâ⠬⠢from painters to conceptual artists such as Jeff Koons, John Baldessari, Roy Lichtenstein, and Alex Katz, among othersâ⠬⠢How to See explores not only the multilayered personalities of the artists themselves but also the distinctive character of their oeuvres. Salle writes with humor and verve, replacing the jargon of art theory with precise and evocative descriptions that help the reader develop a personal and intuitive engagement with art. The result: a master class on how to see with an artistââ ¬â,¢s eye. 30 illustrations

Customer Reviews

Ā¢â ¬Å"If John Bergerââ ¬â"¢s Ways of Seeing is a classic of art criticism, looking at the â⠬˜whatââ ¬â,¢ of art, then David Salleââ ¬â,¢s How to See is the artistââ ¬â,¢s reply, a brilliant series of reflections on how artists think when they make their work. The â⠬˜howââ ¬â,¢ of art has perhaps never been better explored.â⠬• - Salman Rushdieâ⠬œDavid Salleââ ¬â,¢s brilliant canvases changed everything, and now his luminescent eye and voice have married in a book that is destined to alter not only how we look at art, but the language we use to describe it. His essays are a gift that, in addition to feeding oneââ ¬â,¢s process of intellection, nourishes oneââ ¬â,¢s art loving soul.

Transcendent. \tilde{A} ¢â $\neg \hat{A}$ • - Hilton Als \tilde{A} ¢â $\neg \hat{A}$ "David Salle is widely known as one of our most daring and intelligent painters, but he is also an eloquent critic. How to See is a marvel of incisive and intimate observation. For all his audacity as a painter, Salle seems touchingly proud to be a part of the family of art and to derive his pictorial forms from what he calls the â⠬˜the shared DNA of art, \hat{A} ¢â \neg â,,¢ raising the possibility that all masterworks are in fact a group project. \hat{A} ¢â $\neg \hat{A} \cdot -$ Deborah Solomonââ ¬Å"David Salleââ ¬â,,¢s thoughtful, intelligent, beautifully written essays inspire us to think about, and look at, art in wholly new ways. He makes difficult subjects (and artists) seem effortless, transparent, and he wears the depth and breadth of his knowledge of art and art history so lightly that we hardly notice how much we are learning. How to See is a pure pleasure to read. â⠬• - Francine Proseââ ¬Å"David Salle writes about art with a joyous lucidity that is both bracing â⠬⠢nothing, absolutely nothing, escapes his notice â⠬⠢and utterly disarming. He guides his readers through the complex world of contemporary art with a rare generosity of spirit, a dazzling skill at description, and a radiant honesty that are as challenging as they are irresistible. â⠬• - Ingrid Rowland ââ ¬Å"David Salle asks of other art not, where does this belong? but, what does this make me feel and think about? Salle subtly and persuasively reminds us that all art, even the most seemingly recalcitrant, is there to be looked at, and that what artists do is, exactly, teach us how to see. $\tilde{A}\phi\hat{a} - \hat{A}\bullet$ - Adam Gopnik $\tilde{A}\phi\hat{a} - \hat{A}$ "David Salle has a sharp, thrilling eye and an uncanny ability to reorder and make new the act of seeing. These perceptive, far-ranging essays are drawn from deep knowledge and experienceâ⠬⠢reading this book feels like having a conversation about art with the smartest person in the room.â⠬• - Emma Clineââ ¬Å"Wonderful.â⠬• - Joan Juliet Buckââ ¬Å"Lovely to readââ ¬Â| [How to See] is serious but never solemn, alert to pleasure, a boulevardier A¢â ¬â,,¢s crisp stroll through the visual world.â⠬• - Dwight Garner, New York Timesââ ¬Å"An upbeat, non-combative approach to art criticismââ ¬Â|[F]resh, engaging.â⠬• - Roger White, New York Times Book Reviewââ ¬Å"Witty, chatty, intimate, sharp.â⠬• - Lorin Stein, The Paris Review $\tilde{A}\phi\hat{a} - \tilde{A}$ "[Salle] writes about art that he admires with passion and a discerning eye $\tilde{A}\phi\hat{a} - \hat{A}$ Illuminating.â⠬• - Glen Roven, Los Angeles Review of Booksââ ¬Å"A trenchant and light-on-its-feet collection of critical essays... about art, artists, fame, and, if you read it closely enough, what it¢â ¬â,,¢s like to have been David Salle for all these years.Ā¢â ¬Â•Ā¢â ¬Â• - Carl Swanson, New York Magazineââ ¬Å"A remarkable painter whose writing is as fresh, vital, and startling as his canvases, Salle \tilde{A} ¢ \hat{a} $\neg \hat{A}$ talks about artists and their work in witty, jargon-free, and eminently accessible prose.â⠬• - Tirdad Derakhshani, Philadelphia Inquirerâ⠬œHow to See is an exhilarating and cathartic experience $\tilde{A}\phi\hat{a}$ $\neg\hat{A}$ an offering of passion and generosity, and a pulsing invitation to the reader to find the same in the act of seeing. $\tilde{A}\phi$ \hat{a} $\neg \hat{A} \cdot -$ Simone Grace Seol, The National Book Review $\tilde{A}\phi$ \hat{a} $\neg \hat{A}$ "[A] breath of fresh air $\tilde{A}\phi$ \hat{a} $\neg \hat{A}$ | Salle is the perfect art tour guide: literate, thoroughly entertaining, and insightful. $\tilde{A}\phi$ \hat{a} $\neg \hat{A} \cdot -$ Kirkus $\tilde{A}\phi$ \hat{a} $\neg \hat{A}$ "Sharp insights and an affable tone make this collection equivalent to a hearty discussion with a mentor $\tilde{A}\phi$ \hat{a} $\neg \hat{a}$ ϕ recommended for anyone interested in visual arts. $\tilde{A}\phi$ \hat{a} $\neg \hat{A} \cdot -$ Publishers Weekly

David Salle \tilde{A} ¢ \hat{a} ¬ \hat{a} ,¢s paintings are in the permanent collections of the Museum of Modern Art, the Whitney Museum of American Art, the Guggenheim Museum, the Metropolitan Museum of Art, the National Gallery in Washington, DC, the Los Angeles County Art Museum, Tate Modern, the National Galerie Berlin, and many others. He lives in New York City.

I hoped my wife would add it to her book sharing group, but no....

I thoroughly enjoyed reading this book and was sad when I finished. I no longer had his clear, witty and original prose to look forward to reading. I especially loved the lessons at the end and the essay on Lichtenstein. I highly recommend

First person writing that is insightful, direct and useful in contemplating the contemporary artworld.

How to really look at art in a new light.

Maybe it takes an artist to write about artists, but this collection of essays and descriptions of artists' work, life and personalities is wonderful. Almost every essay sent me off to the rabbit hole looking for more examples of the art discussed, and so I found the book very expansive. Have a laptop at hand as you read and explore and enjoy at will.

Do you want to feel part of the NewYork arty IN group? Reading this book is the next best thing. The writing is entertaining and the stories give you an insight into how the art world has been operations. Whether you like "modern art" or not, you will be wiser after you read this....

About 4/5 of the essays are good and insightful. 1/5 were not in keeping with the others.

Pure Inspiration!!!
