The Anniversary Slovak-American Cook Book

Synopsis

First published in 1952 to commemorate the 60th anniversary of the First Catholic Slavic Ladies Association, The Slovak-American Cookbook remains a classic collection of cultural dishes. From savory soups, sandwiches, and salads to sweet cookies, cakes, and candies, this cookbook contains the best Slovak-American recipes that the generations have to offer. Some national favorites featured are: Halusky Klobasy Strudel Fanky Kolace and more! Each recipe provides a glimpse into this fascinating culinary heritage. In addition to an assortment of traditional, tried-and-true recipes, this cookbook also offers tips on entertaining, cooking, and maintaining your home. With help from The Slovak-American Cookbook, you can bring the Slovak culinary tradition to your table.

Customer Reviews

I paid more for that book than others that I have purchased. I was hoping the pages were in better condition even though they were not torn. The outer cover was damaged a little more than I expected also. My mother had a cookbook like that one so I was excited to get it and I will keep it but just a little disappointed.

So happy to be able to find this cookbook. Received one from my Mother when I got married and so did my sister. But somewhere along the way she lost hers in different moves. So I purchased this one for her birthday. She loves it and so do I. So many true authentic Slovak recipes. Highly recommend but very difficult to find!

So many great recipes that are loved by Slovaks and non-Slovaks. Remember this on my Uncle's mother's shelf many years ago.

It was a favorite cookbook of my Polish mother-in-law! I have hers, but I wanted to give a copy each to my son and daughter. Never thought I would be able to find copies for them of this 1892 book published by The First Catholic Slovak Ladies Union! But miraculously had 2 copies and they are in great condition! I am overjoyed!

Great ethnic cook book. Authentic.

An oldie but goody

I absolutely agree with every positive comment other reviewers have made about this cookbook. It is a treasury of history, recipes and some Slovak-American traditions. Not being Slovak myself, my mother-in-law did the best she could for her son by giving me a copy of this book shortly before he and I were married forty-four years ago. I still use the book. In addition, I have purchased used copies from as gifts and have received great service. Nevertheless, I will go directly to the source for my future gifts. The First Catholic Slovak Ladies Assoc. sells new copies for nine dollars which includes shipping.

Wanted some lost recipes, they're here !
