# Laughter Really Is The Best Medicine: America's Funniest Jokes, Stories, And Cartoons

## Synopsis

Collected from one of the most popular features of Reader's Digest magazine, this compilation of more than 1,000 all-new jokes, quotes, anecdotes, and cartoons is guaranteed to add laughter to your day. This collection of laugh-out-loud jokes, one-liners, and other lighthearted glimpses of life drawn from Reader's Digest magazine's most popular humor columns is sure to tickle the funny bone. Packed with more than 1,000 jokes, anecdotes, cartoons, quotes, and stories contributed by professional comedians, joke writers, and readers of the magazine, this side-splitting compilation pokes fun at the facts and foibles of daily routines, illustrating that life is often funnier than fiction. Did you hear about the Broadway actor who broke through the floorboards? He was just going through a stage. What did the ill comic say in the hospital? "I'm here...all weak!" Charles Dickens walks into a bar and orders a martini. The bartender asks, "Olive or twist?" Posted in a dental office: "Be kind to your dentist. He has fillings too." "The main advantage of being famous is that when you bore people at dinner parties, they think it is their fault." -Henry Kissinger, Nobel Peace Prize, 1973 As Groucho Marx once said, "A laugh is like an aspirin, only it works twice as fast."

## Book Information

Entertainment > Humor > Doctors & Medicine #20 in Books > Humor & Entertainment > Humor >

Jokes & Riddles #63 in Books > Comics & Graphic Novels > Comic Strips

## Customer Reviews

I write a lot on my "Felix at Fifty" blog, often with great nostalgia, about growing up in the 1970s - and here is another opportunity for all of us aging Baby Boomers to reminisce a bit, and with a smile on our face, to boot! When I was a kid, everybody subscribed to Reader's Digest. We kids largely ignored the boring articles, but we lived for the funny stuff - Laughter, the Best Medicine, Humor in Uniform, etc. We laughed out loud. We told each other those clean, innocent jokes on the

playground (what a different time the Seventies were). As an aspiring writer, at the age of ten, I even sent RD a few jokes for consideration (I think they paid \$50 back then if they used your joke - an enormous amount of money to a ten year old, especially in 1970s dollars!)... Anyway, *Laughter Really Is The Best Medicine: America's Funniest Jokes, Stories, and Cartoons* offers a terrific opportunity not only to reminisce about the simpler times of our youth, but also to find lots of not-too-challenging, clean jokes you can safely tell at the office, or use to add entertainment value to speeches, sermons, staff meetings, etc. Great stuff!

I have no idea how I was lucky enough to get this gem free on my Kindle, but I'm so happy I did! This is the perfect book to pick up and read for a few minutes every day for some comic relief. It's a great mix of cartoons, comics, one-liners and jokes. I haven't seen anything dirty or offensive, just good, clean jokes. There's a lot packed in to it! Here are a few examples:-A junior manager, senior manager and their boss were on their way to a lunch meeting. In the cab they found a lamp. The boss rubbed it, and a genie appeared. "I'll grant you one wish each," the genie said. Grabbing the lamp from his boss, the eager senior manager shouted, "I want to be on a fast boat in the Bahamas with no worries." And poof, he was gone. The junior manager couldn't keep quiet. He shouted, "I want to be in Miami, with beautiful girls, food and cocktails." And poof, he was gone. Finally it was the boss's turn. "I want those idiots back in the office after lunch."-When I overheard one of my cashiers tell a customer, "We haven't had it for a while, and I doubt we'll be getting it soon," I quickly assured the customer that we would have whatever it was she wanted by next week. After she left, I read the cashier the riot act. "Never tell the customer that we're out of anything. Tell them we'll have it next week," I instructed her. "Now, what did she want?" "Rain" There's just a few I quickly found and laughed at. That's a small example of what's in this hilarious book. Absolutely worth the free download and I would've gladly paid \$10 or less for it. It would be a great little gift to give someone.

Print is small. Was a bit disappointed in that, because I was hoping to read it and then pass it on to my mother. Some of the quotes are repeats of what I've seen on the Internet. All in all entertaining, but the book is small and again the price is very small. Surprisingly I found a typo, which I would think is rare for Reader's Digest. There was a page with two quotes repeated on it

Sent this copy to my sister who was just recently diagnosed with CA of colon and now liver issues. I told her proven stats on healing from laughing and the benefits claimed. I will personally read these

to her, we shall prove CAWwrong and laugh our way along this journey, with Gods Blessings and help.

Perfect! I just love clean funny jokes in this book, I will purchase more...

Makes me smile

funny

I have always enjoyed reading Reader's Digest and especially enjoyed the jokes in each issue. I have also purchased several books published by Reader's Digest over the years so I know their products are of excellent quality. This book lives up to the company's reputation. Many of the jokes did make me laugh out loud, and I also enjoyed the cartoons. I was pleasantly surprised to find them in color on my Kindle. There were a number of jokes included in this book that I have seen in e-mails that people love to send to all their friends. So some of the jokes were ones I had read before, but the quality of the book is excellent.
