## Customer Reviews

LOVE this journal! It's my very first bullet journal. I get all kinds of smiles and compliments on the cover image & text though it is kind of a weird matte finish that is already covered in grease spots and smudges after 4 days. Not a bad journal for the price though.

I still have no idea how to use a bullet journal, but whatevs.

Awesome gift idea

Perfect Birthday gift!

It's a great BuJo for beginners. I would of prefer if the pages were about thicker otherwise works great!

Loved it

Awesome, though the cover wears down fairly quickly.. The gold is wearing off and finger prints show on the black.

Almost perfect the pages are just a little to thin for my liking. Some pens and markers bleed through.
