I grew up listening to the recorded version of this Christmas play. My whole family would enjoy it year after year. We learned the songs so well that we still sing them each christmas event though we don't have the tape anymore (don't know where it got to :(). But this has become an entrenched classic with my family and will continue to be for years to come. Classic songs with the music are in this book like "Specta-rama-jingle-ishess-tinsel-ribon-ismis", "The 12 Days of Christmas Pageant" and more.If you are looking to do a creative, fun, and ingenious Christmas Pageant for your church or school, I would highly recommend this one! It's well written, the songs are original, and it will be a wonderful time for actors and audience members alike. And if you this pageant and are in the greater PA area, let me know, I'd love to see it!

I also grew up playing the tape after performing the play at church. It's a beautiful way to tell the story and the songs are so easy and beautiful. I have played my tape every Christmas for 24 years. Simply a fun and beautiful story to read.,act out, and sing. Can't wait to have the book again to go with my tape to share with all my kiddies:-)
