Fairy Tales Coloring Book: Published In Sweden As "Sagolikt"

Synopsis

A debut coloring book for all ages from Swedish artist Emelie Lidehäll Åberg. Reminiscent of classic Swedish fairy tales, Emelie Lidehäll Åberg's debut coloring book fills 96 pages of sweetly sleeping animals, dolls come to life, and whimsical abodes. This paperback edition makes coloring-on-the-go a breeze. Gold foil accents on the cover and enticing colorable French flaps make this a beautiful gift. The Fairy Tales Coloring Book will capture the imagination of the young and the young at heart. Emelie Lidehäll Åberg is a freelance illustrator. She has studied graphic design and illustration, as well as studied communications at Mittuniversitet in Sundsvall, Sweden. Emelie loves sharp lines, soft pastels and silhouettes from the past.

Emelie Lidehäll Åberg is a freelance illustrator. She has studied graphic design and illustration, as well as studied communications at Mittuniversitet in Sundsvall, Sweden. Emelie loves sharp lines, soft pastels and silhouettes from the past.

This is a great book, nice paper, great printing! No complaints, easy enough for a beginner, and let's advanced colorist an opportunity to add some details if the wish

I have purchased many adult coloring books and this one is so beautiful. The pictures are so pleasing to the eye. The content is whimsical which makes you want to complete the pictures.

I got this for my sister and I and we LOVE it! Really clean, beautiful pictures! And takes mediums well.

Really cute book. Simple designs that you can color quickly, but that still look gorgeous. The paper looks great. The only reason I gave four stars instead of five is that my personal preference is Hanna Karlzon, Johanna Basford and Millie Marotta. If you like the art, you will love this book. And, there are no pattern repeat pictures, which are a personal dislike in a coloring book!

Å Fairy TalesÃ¢Å Å“previously published as SagoliktÃ¢Å Å”is a super adorable coloring book depicting characters and imagery from Swedish fairy tales. While IÃ¢Å Å™m not familiar with Swedish stories, I still recognized several of the pages. Even without knowing what story I was looking at, every page is enchanting and gorgeous. Fairy Tales is a paperback, but the cover is very thick card stock. The inside flaps do fold out to reveal more coloring areas at the front and back. The actual paper is very thick and slightly off white. But alcohol based markers do bleed through, and each page is printed on both sides. However, one thing that I absolutely love is that none of the coloring pages are two-page spreads, so nothing gets lost in the binding. Some of the drawings do go all the way to the binding, but the spine bends easily enough to lie the book flat. The artist of Fairy Tales has a very unique and recognizable style. She uses a lot of stripes and circles to create detail in all of her illustrations. At first it looks a bit busy, but ultimately I loved that it breaks up open spaces and adds more interesting texture. Even the girls have circles on their cheeks, making them stand out. And her animals are absolutely adorable! Fairy Tales quickly became one of my all-time favorite coloring books. The quality is outstanding and added to the artistÃ¢Å Å™s distinct style, creates something very special. IÃ¢Å Å™ll definitely be looking forward to her next coloring book.

This is my first coloring book by Emelie Lidehall Oberg. The designs cover a wide range of subjects. While there may be some fairy tales designs included, for the most part, the designs appear to be a range of both fantasy and still life (flowers, dresses, etc.) The artist has a unique design style with her creatures all having cute round eyes. Her people have round cheeks and predominate eyelids. They are quite different from other designers and make for a fun coloring experience. The designs are detailed but are not too intricate and do not have tiny little spots to try to color. Because the book is printed two-sided, I'm being very careful with what I use to color in it. I am avoiding using my alcohol-based markers as those bleed through the page (you can see what my test results were

with various medium below.)The cover is card stock rather than the hardcover I associate with this publisher. The cover is light ivory/antique white with green and pink elements as well as gold metallic accents. The front and back attached covers have a flap and there are designs on the interior which can be colored.This is what I found while coloring in this book and testing it with my coloring medium.90+ pages stylized designsPrinted on both sides of the page; no two-page spread designsPaper is heavyweight, ivory color, somewhat smooth, and non-perforated.Sewn binding which can easily be snipped to remove a number of pages at a time.Most designs merge into the binding area. I can open the book fairly flat for coloring by breaking the spine.Alcohol-based markers bleed through the page. If you use these, you will have ink seep through and mar the design on the back of the page.Water-based markers, gel pens and India ink pens do not bleed through the page.Colored pencils work well with the paper. I was able to blend, layer the same and multiple colors using both oil and wax-based pencils with ease.

I love this book! The pictures, paper and illustrations is really high quality.

GORGEOUS book! The binding is sewn so it's easy to get the book to lay flat. The paper is thick and cream colored. It has done great with Prismacolor pencils, gel pens and water based markers. As usual, alcohol markers would bleed through this paper. I received a copy from my husband for my birthday and liked it so much that I purchased one for my mom for Mother's Day. I HIGHLY recommend this book and any other work from this artist.
