Florence Art Guide: Last Supper Frescoes (2017 Italy Travel Guide)

Synopsis

RECENTLY UPDATED FOR 2017! With high-resolution images, videos, maps and a detailed tour itinerary, this is the definitive travel guide to Florence and its Last Supper Frescoes. Painted onto the walls of monastic dining rooms in the 14th-16th centuries, Florence's Last Supper frescoes were designed to inspire contemplation on the Christian faith's greatest mysteries. Still well preserved and quickly toured on any visit to the city, they hold much of their original magic. They are yours to uncover.

What's in this guidebook* A tour that goes deeper. Following our tradition of being the most valuable resource for culture-focused travelers, we provide a detailed tour of nine of Florence's most important Last Supper frescoes executed over a 250-year period by artists Gaddi, Orcagna, Ghirlandaio, Castagno, Perugino, Franciabigio, Sarto and Allori. The tour walks you through the highlights, aided by high-resolution images and a discussion that ties it all together.* The influence of Leonardo's Last Supper. We also profile Leonardo da Vinci's iconic Last Supper fresco in Milan (1496-1498), pointing out how its innovations went on to shape later Florentine representations. Since Leonardo's work occurs roughly at the midpoint of our timeline of reference, we can assess frescoes before and after its completion, clearly discerning its impact.* Advice for getting the best cultural experience. To help you plan your visit, this guidebook offers logistical advice and provides links to online resources. Plus, we provide our personal tips for getting the most from your experience while on location.* Information the way you like it. As with all of our guides, this book is optimized for intuitive, quick navigation; information is organized into bullet points to make absorption easy; and images are marked up with text that explains important features.* **NEW!** Customers can now print this guidebook with our new PDF-on-Demand service. See the final chapter in the book for details.

Customer Reviews

I was expecting something with more depth.

I ORDERED THIS BOOK IN ERROR-I THOUGHT IT WS SOMETHING ELSE! IT IS PROBABLY GREAT FOR SOEMONE WHO WANTS INFO ON FLORENCE FRESCOES, BUT I DON'T HVE ENOUGH EXPERIENCE TO RATE IT PROPERLY

This guide is a real pearl: it changes all the way you visit and discover Florence. Thanks to the great, precise, digest and clear explanations of the guide, we got to appreciate the many frescos of Florence in a very deep way. Walking with our iphone was so easy, and sitting in front of the fresco while reading the AG explanations to accompany our eyes discovering the many details made it all much more interesting. Plus fresco after fresco, it allows to make comparisons and links between art piece and thus render the discovery of Florence, its history, and its maestro so captivating and

easy. We even got to understand better the paintings of museums and it added some game aspect to our days as we were searching for the next fresco every new place we visited. Plus it helped so much planning every day visits. I am now looking forward to our next trip to be able to use another of the great Approach Guides! A must have!
