Every Young Man's Battle: Strategies For Victory In The Real World Of Sexual Temptation (Every Man)

Synopsis

In this world you're surrounded by sexual images that open the door to temptation. They're everywhere--on TV, billboards, magazines, music, the internet and so easy to access that it sometimes feels impossible to escape their clutches. Yet God expects his children to be sexually pure. So how can you survive the relentless battle against temptation? Here's powerful ammunition. Steve Arterburn and Fred Stoeker, the authors of the hard-hitting best-seller *Every Man's Battle*, now focus on the temptations young single Christian men like you face every day and they offer workable, biblical strategies for achieving sexual purity. The authors examine the standard of Ephesians 5:3--"there must not be even a hint of sexual immorality" in a positive and sensitive light. And they explain how an authentic, vibrant relationship with Jesus Christ is the key to victory over temptation. *Every Young Man's Battle* will show you how to train your eyes and your mind, how to clean up your thought life, and how to develop a realistic battle plan for remaining pure in today's sexually soaked culture. As a result, you'll experience hope--real hope for living a strong, pure life God's way.

Every Young Man's Battle does the best job I have ever seen on the subject of sexual temptation. Once upon a time we lived in a world that didn't talk about secrets, and that world has brought us to the mess we are in today. Young men must have an honest, blunt, and unashamedly Christian look at their sexuality. This book will save thousands of future marriages. --JIM BURNS, president,

YouthBuildersI have never read a book as direct and open as Every Young Man's Battle. The profound principles communicate the authors personal experiences and provide the hope that anyone can overcome a day-to-day battle with impure thoughts. Every Young Man's Battle helps you see the importance of taking control over your eyes, your mind, and your heart so that you can completely honor God in every facet of your life. --SCOTT BULLARD, of musical recording group Soul FocusIt's encouraging to see some real men stand up and sound the alarm to young men. Stephen, Fred, and Mike's courage to tell their stories exposes what has unfortunately become a dirty little secret among men in the church. The battle cry of the day is for men of all ages to live a pure and holy life, and this book will crush Satan's strategy by giving the troops the guts to talk about what has been taboo in the church for so long. The authors poignant stories paint a picture of battle in which all men can relate and offer hope and camaraderie to win the war. --TROY VANLIERE, artist/manager (representing NewSong, Carolyn Arends, Soul Focus, Jadyn Strand, and Glad)

This is a life-changing book. It broaches some very serious topics that affect men of all ages without dumbing things down. I would highly recommend this book for high school boys that have a pastor or male adult to discuss it with....but be prepared - it is not for the faint of heart.

The reader of the book is made to feel as though every young man is a sexual deviant-this is not a reality for every Christian boy.

Straight talk no-holds barred for your the teenage man. Solid foundation scripture based. Hits all the those hot spots, sexual activity, mattes of the heart and why he thinks the way he does. Good read.

Great book for youth group, however, there were things that were not relatable to Asian American students regarding family dynamics and such. It does have general principles and concerns. This is a well known problem as many books are written for white american culture perspective. Other than that, it was a resourceful book for leading youth group students. You just have to contextualize well for your context.

This book was a good read for my son and I.

This book will help you realize how sinful sexual immorality, porn, and masturbation are but it does get repetitive towards the end. Overall good read.

My son read this book over a two week period and got a lot of practical keys for avoiding pornography and sexual sin .He learned the appropriate way to treat and view women. The book is written in a way that keeps a boys interest

A MUST READ for anyone who has a son especially in this social media day & age. Don't hesitate as you can't go wrong in helping your child and preparing them in these bombarding times! Suggest you read it first then have your son read it and review it together (father & son or Mom too). It was suggested to us by a licensed therapist and so glad they did.
