Books For Kids: My Invisible Monster: A Space Flight (Fantasy Story About Billy And His Invisible Monster)

Synopsis

The GIFT is waiting for you at the end of this book :) ReviewsBy Ruby Fowler on August 26, 2017___ Wow. this kids book is a brilliantly executed train wreck from beginning to end. If somebody is starting to read from this author for the first time, the first book they read of this author will always be their favorite. I have found that to be the case with many people. It was such a new approach to writing that I had never seen before. This is a great book that I'd recommend for any elementary classroom. It's great for parents and teachers. By Stevie on August 25, 2017___ This book has been my child's favourite one. I read it to her every night before going to bed. She loves it and her smile makes me happy. This book is a gift for anybody who loves to hear about the adventures from outer space and an invisible cute monster. The book starts with a tale about the monster from space and then continues. But there is always twists in every story so in this as well. Loved to have read it. Seeing further for more such story books. By Inna on August 24, 2017___ **My Invisible Monster: a space flight**™ is a story which will appeal to all children and adults. My little brother very much liked the bright illustrations in the book. Now every night he asks me to read a story about a boy and his travels. Little Billy is about to sleep but his desire to take off into space is just endless. He jumps into his handmade spacesuit. It seems he is completely ready now to jump up and take off into space from his bedroom. He takes a few careful steps as if he is stepping into the space and find himself on a green planet. Description He needs a partner to explore space but he has no friend to do it with. He starts to call through his space radio someone who can join him. Suddenly a naughty, friendly and fuzzy monster appears. Two of them are so excited! Playing and having some fun together they decide to explore the Moon and discover the secrets of space together. **My Invisible Monster: a space flight**™ is a magic story which will give an opportunity to travel in space with Billy and the Monster, discover new things and be a part of an amazing and educative space journey. This story is full of very funny, sweet scenes which will make children to laugh and enjoy the adventures of the lovely and naughty characters. The explorations will develop the imagination of children and create deep interest in exploring new things. You and your children are going to love this book. Customer Reviews

This is a cute story about a boy and his adventures. He uses his imagination to go exciting places! I highly recommend it as a read aloud for young readers!

I bought this book for my nephew, he is now 3 years old. He says that this is his favorite monster. From myself I will say that the pictures are cool. This is a very interesting and funny fairy tale for children. I really liked it.

Wow. this kids book is a brilliantly executed train wreck from beginning to end. If somebody is starting to read from this author for the first time, the first book they read of this author will always be their favorite. I have found that to be the case with many people. It was such a new approach to writing that I had never seen before. This is a great book that I'd recommend for any elementary

classroom. It's great for parents and teachers.

This book has been my child's favourite one. I read it to her every night before going to bed. She loves it and her smile makes me happy. This book is a gift for anybody who loves to hear about the adventures from outer space and an invisible cute monster. The book starts with a tale about the monster from space and then continues. But there is always twists in every story so in this as well. Loved to have read it. Seeing further for more such story books.

From many days I was busy in searching a good book which is full of fun and interest for my children so, finally I get it, Milly and his invisible monster. When I read this bedtime story my children got fascinated and enjoyed its reading. I do appreciate to the auhtor for this type of fabulous writing. Must read this book

I really liked this book for children. It tells how a little boy Billy wanted to fly into space. "My invisible monster: space flight" - this is a magical story, so I advise you to read it.

This is a cute book with adorable illustrations. I feel it teaches a nice lesson about using your imagination. For 99 cents, you can't go wrong.
