If Crazy Joe, all five-feet six-inches and 150 pounds of him, had not been iced in the early morning hours of April 7, 1972 inside Umberto's Clam House in Manhattan's Little Italy, the entire landscape of the Mafia in America might have changed, and not necessarily for the better. Crazy Joe was born and raised in the Red Hook section of Brooklyn along with his older brother, Larry, and his younger brother, Albert. Crazy Joe was instrumental in waging two Brooklyn gang wars against the Profaci/Colombo Crime families for control of the Brooklyn rackets. Mafia Boss, Joe Profaci, refused to give the Gallos the respect they thought they earned and deserved, so the Gallos decided they would take matters into their own hands and force their way up Brooklyn's organized crime ladder. The main problem was the Profacis/Colombos had almost 500 strong on their side, and the Gallos had, at most, 30 loyalists, with another 200 or so mobsters, who either constantly changed sides or stayed completely out of the fray. While doing a ten-year stretch in prison on an extortion conviction (1962-71), Crazy Joe recruited dangerous and hungry black convicts to join him in his quest, after he was released from prison, to unseat Joe Colombo as boss of the Brooklyn mob (After Profaci's death from natural causes, Colombo had replaced Profaci while Crazy Joe was in prison). So, when Joe Colombo was shot to death by a black man, Jerome Johnson, at a June 1971 Italian-American Civil Rights League's "Unity" rally at Columbus Circle in New York City, most

mobsters and members of law enforcement pointed the finger at Crazy Joe Gallo. But did Crazy Joe Gallo really orchestrate Colombo's demise? "Crazy Joe Gallo: The Mafia's Greatest Hits" Volume Two will present you with the possibilities and the factors that ultimately led to Crazy Joe's brutal death. Customer Reviews

I thoroughly enjoyed reading Joe Bruno's insightful and informative biography of Joey Gallo. It appears to me that Bruno owns the mob genre because I've read quite a few books by him and each book is a minor classic. "Crazy Joe Gallo: The Mafia's Greatest Hits" was one of the most enjoyable books on Joey Gallo and his brothers I have read and it just could be the best of the lot. Maybe I feel this way because we used to have their jukeboxes and vending machines in our bar in Corona, Queens. Bruno's research on this book is impeccable and his writing style is as professional as you could get. Great job

Bruno.http://www..com/Starlight-Club-Book-ebook/dp/B0098L3LQW/ref=sr_1_1?s=digital-text&ie=UTF8&qid=1442771689&sr=1-1&keywords=the+starlight+club

The phrase "write what you know" has long been taught by writing teachers to their prospective students. However, whenever I read one of Joe Bruno's mob books, I'm always left with the sense that not only does he write what he knows, he goes that extra mile to find out the most he can about his subjects. One gets the sense that Joe has been there and done that and came out much wiser for it. His interest and knowledge of every subject he tackles shows through in every word. And, "Crazy Joe Gallo" is no exception. From the origins of his famous nickname to his bloody end in a Little Italy restaurant the book stays true to its subject and the lifestyle that we all find so fascinating. Say what you will about gangsters, bad guys, black marks on society; only a couple of statements are certain ... we can't get enough of their stories and no one writes them like Joe Bruno.

Good book. I'm old enough to remember when Crazy Joe was killed. That was in the days when the Mob was in its heyday

An entertaining read, but I find phrases like "he died of lead poisoning" (he was shot; lead from bullets...) kind of annoying, and Joe Bruno likes to use such phrases a fair bit. It does make the book a little lighter with a tiny attempt at humour in a very serious situation, but it did wear a bit thin. Other than little gripe, I enjoyed the book

As always I enjoy Joe's humor and the twists and turns of the era make so much more sense after reading this and other of Joe Bruno's book. Thoroughly intriguing how one man's life becomes what it does and why. Highly recommend this and ALL of Joe Bruno's books..

Good read.

I remember the Gallos on the news when I was a kid and have followed all the books and documentaries on them and this is the most in depth and informative.

Straight telling of the career and demise of this vicious criminal and killer. Good reading.
