Resolving Everyday Conflict

Synopsis

Ken Sande, author of the bestselling classic *The Peacemaker*, has long been a trusted resource on the topic of conflict resolution. In *Resolving Everyday Conflict*, Sande distills his message to the essentials, quickly equipping readers with the tools they need to bring peace to their relationships. Everyone encounters conflict--whether it be with a coworker, family member, friend, or complete stranger. And yet we all desire harmony in our relationships. *Resolving Everyday Conflict* is a practical, biblical, concise guide to peacemaking in everyday life that can turn tumultuous relationships into peaceful ones.

Turn tumultuous relationships into tranquil onesWe all encounter conflict--whether it be with a coworker, family member, friend, or complete stranger. And yet we all desire harmony in our relationships. *Resolving Everyday Conflict* is a practical, biblical, and concise guide to peacemaking in everyday life. With the proven advice in this book, authors Ken Sande and Kevin Johnson show you how to achieve not only a cease-fire but also unity and harmony. You'll discover how to [understand where conflict originates](#) [take a biblical view of conflict](#) [own your role in a conflict](#) [offer forgiveness and arrive at reasonable solutions](#) [and more](#) This biblical guidance will take you far beyond simply ending conflicts. Instead, true, life-changing reconciliation can take place in your relationships. Ken Sande is the founder of Peacemaker Ministries and now serves as president of Relational Wisdom 360. A Certified Christian Conciliator, he is the author of

The Peacemaker, which has been translated into fifteen languages. Sande lives in Montana. Kevin Johnson is the bestselling author or coauthor of many books and Bible products. He pastors Emmaus Road Church in metro Minneapolis, where he lives with his family. Learn more at kevinjohnsonbooks.com.

Resolving Everyday Conflict is a concise guide to dealing with the inevitable conflicts in our lives in a way that is explicitly Christ-centered. The authors walk us through the basic issues of determining our motives and choosing to bring God into our conflicts. We are then instructed how to take responsibility for our part in conflict first, and only then approach the one we are in conflict with. The chapter on making a good apology is with the price of the book. A discussion on forgiveness rounds out the book. Time and time again the authors bring us back to the gospel and the truth that the power to face myself, seek reconciliation, and truly forgive others rests in my experience of being forgiven by God. Resolving Everyday Conflict is an easy read, eminently practical, and centered on the hope that reconciliation is possible because we have been reconciled to God.

Problem with constantly being in conflict with someone, read this. This is for you!

Go higher, get real, gently engage, get together on lasting solutions. These are the keys to unlocking conflict God's way. I've taught this material for more than ten years. If you haven't discovered this yet, read it.

I loved the way that the authors shared the "how to" in taking familiar scriptures into practical application. In my opinion, this book would be a valuable asset for every ministry and organization. Many thanks to Heartbeat International for recommending!

This is a great book for any and all relationships. My husband and I had a counselor give this to us. We would read one chapter a week together, discussing the questions at the back. We are keeping

it handy to reference and refresh our memory as to what works in resolving conflict. Have also purchased copies to give to each of our grown children. This would be a great book for everyone to have in their personal library.

Using this book for a Bible Study Group. Great discussion material..

This is a great little book for every Christianfor everyone wanting to solve conflicts that happen in our lives. It is well-written and to the point.

This book has clear principles that can be applied to areas areas of conflict. It illustrates the problems 1) with avoiding or denying the conflict, on one side, or 2) responding in anger on the other side. The author is an attorney who has worked with families, businesses and non-profits for many years, and I've seen the positive changes that are made in an organization and in individuals when these principles are applied.
