Tasmania, Handy Map Includes Hobart

Synopsis

Great for use in the car, Hema's State Handy Maps clearly show highways, minor and secondary roads, national and state routes and fully-indexed cities, towns and localities. Detailed road distances are also shown. All of the maps are double-sided and come in an easy-to-fold format. They are all also available with a deluxe cover (celloglazed cardboard).

Customer Reviews

Maps are by design, intended to be helpful and provide a quick reference to any location and distances to destinations. Not so with this map; it's printed on both sides of one page (presumably to save a few pennies) and this makes it troublesome when one is flipping it over all the time. Damn annoying in fact ..A very unhelpful map indeed, and I suggest looking for an alternative with more topographical information.
