Everything Inventions (TIME For Kids Book Of WHAT)

Synopsis

TIME For Kids The Book of What: Everything Inventions presents kids 8-12 years old with answers to the kinds of intriguing questions that appeal to their sense of curiosity. Colorful graphics, spectacular photos and clear, engaging diagrams will help answer questions such as: What are some inventions made by kids? what is Kevlar? What is a geodesic dome? TIME For Kids The Book of What: Everything Inventions is a must-have book to satisfy the most curious of kids.

Customer Reviews

Excellent

Good book but half the book is not about space. My daughter said -- this isn't about space why did they put this in there. ??

Great book for young children and old timers like me.

my son loves it

my grandson loved this book

Great book even for adults....

Great book!

The children in my class are studying space this year and this book will allow for many hours of information.
