It's Always Sunny In Philadelphia: The 7 Secrets Of Awakening The Highly Effective Four-Hour Giant, Today

Synopsis

• The Gang • from It's Always Sunny in Philadelphia attempts their most ill-conceived, get-rich quick scheme yet: publishing a self-help book • to hilarious, sometimes dangerous, and often revolting, results. The Gang may have finally found their golden ticket. Left alone to close down Paddy's Pub one night, Charlie Kelly inadvertently scored himself, and his friends, the opportunity of a lifetime • a book deal with a real publishing company, real advance money, and a real(ly confused) editor. While his actual ability to read and write remains unclear, Charlie sealed the deal with some off-the-cuff commentary on bird law and the nuances of killing rats (and maybe with the help of some glue fumes in the basement with an unstable editor on a bender). While The Gang is stunned by the news, and the legally binding, irrevocable contract left on the bar, they are also ready to rise to the task and become millionaires • and of course, help Charlie actually write the book. In their own inimitable voices, Charlie, Mac, Dennis, Sweet Dee, and Frank weigh in on important topics like Relationships, Financial Success and Career, Fashion and Personal Grooming, Health and Diet, and Survival Skills, providing insane advice, tips, tricks, and recipes (Rum Ham anyone?) as only they can. Fans of It's Always Sunny in Philadelphia rejoice and welcome the most influential work in the history of the written word (or at least since the script for The Nightman Cometh): The 7 Secrets of Awakening the Highly Effective Four-Hour Giant, Today.

Customer Reviews

It works! Trust us! Warning: Following the "advice" contained herein could get you arrested, maimed, or killed. No \$\$Money\$\$ Back Guarantee! Friendless? Poor? Ugly? Need help luring the woman or

man of your dreams onto a boat? Hungry for Rum Ham but don't know how long to cook it? Confused as to the legality of keeping birds as pets in your particular home state? Look no further, loser. The gang from Paddy's Pub have combined forces to weigh in on life's most important topics: Relationships Financial Success and Career Fashion and Personal Grooming Health and Diet Survival Skills Grab a beer, throw caution and common sense to the wind, and welcome the most influential work in the history of the written word (or at least since the script for The Nightman Cometh): The 7 Secrets of Awakening the Highly Effective Four-Hour Giant, Today.

Charlie Kelly, Ronald "Mac" McDonald, Dennis Reynolds, Deandra "Sweet Dee" Reynolds, and Frank Reynolds (also known as the gang) live and work in Philadelphia.

SPOILERS If you have never watched an episode of "It's Always Sunny in Philadelphia" then this book is not for a jabroni like you. But if you are a glue-huffing degenerate who enjoys the antics of the most wretched gang of drunks, this is a self-help book for written just for you suckers, er, geniuses. The funniest sections were Charlie's by far. It's ironic that an illiterate's writings and rants were the best. Love his advice for stalking the one you love. His avian brilliance also reminds us why he is the pre-eminent expert on US bird law. And his recipes for making cheese are priceless. Remember that old Polly-O String Cheese Commercial? Just order a pie, but hold everything but the cheese! Other cheese making recipes include stealing from rat traps or making your own cheese with orange juice and half and half, letting it sit around for a couple of weeks behind a toilet...and enjoy! That Charlie, he's a cheese-rat genius. Dennis' sections are lucid and intelligent. He actually gives good advice on how to not get stuck doing Charlie work and how a man should properly apply makeup (to his face, abs and male parts). Dennis may be a potential serial killer, is questionably a rapist and absolutely is a voyeur, but other than that, he's a golden god with a body sculpted to proportions of Michaelangelo's David, so what he says matters. I love Frank's advice how to manipulate everybody. That man knows his stuff. And his recipes! Mmm-mmm! Now I know how to make a delicious rum ham using only a canned ham, a few bottles of rum, a gun and several bullets. Plus Italian parsley for garnish to make it classy. There's his blue-jean tea recipe which require crabs dredged out from the polluted Delaware river. But his recipe for raccoon...yummy! For you "Hannibal" fans afraid to take the leap into full-out cannibalism, a raccoon is as close as you'll get to tasting human flesh. Just watch out for those tapeworms. Unless you want tapeworms to lose weight, then it's all good. Dee's sections surprisingly didn't suck, even though she's the useless chick. As we all know in this group there is the Wildcard: Charlie, The Brain: Mac, The Looks:

Dennis, The Muscle: Frank and the Useless Chick: Dee (also known as the giant bird). Her reverse D.E.N.N.I.S system S.I.N.N.E.D. is awesome, because while Dennis sleeps with chicks just to sleep with them and leave, Dee sleeps with guys to steal from them. Even Frank says he's proud of his girl because she is both a [REDACTED] and a thief, and that's the best way to get through life is [REDACTED]' and thievin'. (She's also likes to poison people, but that big, yellow bird can't do anything right!)Mac...well his sections weren't awful, but they were the least funny. At first I did laugh at how he went on and on about the oily, buffed, masculine physiques of certain action stars (Carl Weathers, Sly Stallone, Jesse Ventura, Arnold Schwarzenegger and Dolph Lundgren) and we all know he is certainly 1000% not gay, so there's nothing to be read in there. And his comment about it being "Adam and Eve not Adam and Steve Hawking" did merit a chuckle, but he should stick to topics he knows best, like his martial art moves and occular patdowns.This book is a classic destined to be treasured forever with the writings of Shakespeare and Twain and Hemingway. No doubt will it be taught in classrooms for decades to come.

This book is highly entertaining and reads just like an episode of the television show! It also provides a lot of fun details and backstory about the characters that have never been mentioned on the show itself. This book isn't necessary to enjoy or understand the show on a deeper level at all, but it's a great supplement to the series.

This was a gift I gave to my brother in law. We laughed out loud while just thumbing through it and reading some of the passages. Yes, it helps to be a fan of the show, but even if you aren't, you would still probably find something to laugh about.

Reads like a script from the show. Whether or not that's a good thing is up to you. Personally i felt that without the acting and the delivery of the show's cast the humour worked a lot less, but it was still an enjoyable read for a fan of the show like myself.

Sensitive. Intellectual. Implicationalizing. These are only a few words that come to mind to describe this book. And perhaps one isn't a word you would call "real", but the mind creates words to describe this book.Book. What a petty, weak word. A word so weak it does not do justice to this collection. This tome. Tome. We will call this a tome, and that has the sound of strength deserving of the authors who put pen to page and splashed the cream of their wisdom on the faces of a world not worthy.Wisdom is what they share. Whether or not your face can handle the sheer volume of

what is being splashed upon it? Well, that's another question. And there is more wisdom here than your face could possibly handle. Even the chirping rants of the one they call Bird carry wisdom here. Some may look at this tome and say "I have a Bible, or an encyclopedia, or a Kanye album, why do I need something else to tell me what I need to do with my life?" To those idiots, I would say this: "You're a stupid person. A very stupid person. And stupid people do not deserve my answer to such a stupid statement." It comes down to this really. Are you a winner? Can you handle what this book will spray in your eyes? Possibly your nose? or are you a stupid person who thinks your face is just fine as it is?

This is seriously hilarious. If you are a sunny fan, this is a must have. I bought it for someone else, and now I need my own copy

I love always sunny, and anything about it!

my wife and I liked the book
