## Customer Reviews

It is reasonably good, but not as detailed as we wanted

I now have family living in Santa Fe, so I wanted a good map that would show the city itself plus the outlying areas. This one seems to fit the bill very nicely.

Good map of Santa Fe.

Not laminated. Cheap throwaway paper. There should be a detailed inset for downtown Santa Fe. but there isn't. There was no love in this design. While in Santa Fe, I saw that there is a laminated detailed downtown map for \$7. Don't buy this crappy map - hold out for that version.

Used the map while on the road. There were smaller maps available from the hotel that were better for driving in town.
