Mad Dogs

Synopsis

Gang warfare gets gruesome in the eighth book of the CHERUB series, which Rick Riordan says has “plenty of action.” CHERUB agents are highly trained, extremely talented—and all under the age of seventeen. For official purposes, these agents do not exist. They are sent out on missions to spy on terrorists, hack into crucial documents, and gather intel on global threats—all without gadgets or weapons. It is an extremely dangerous job, but these agents have one crucial advantage: Adults never suspect that teens are spying on them. In London, the British underworld is controlled by gangs. When two of them start a turf war, violence explodes onto the streets. The police need information fast, and James has the contacts to infiltrate the most dangerous gang of all.

Customer Reviews

‘A really good book that you could re-read over and over again.’ Guardian Praise for books in the CHERUB series: ‘Punchy, exciting, glamorous and, what’s more, you’ll completely wish it was true.’ Sunday Express ‘Pacy writing, punchy dialogue and a gripping plot, it’s got it all.’ Daily Express ‘Fast-moving action ... and cool gadgets!’ The Times ‘Crackling tension and high-octane drama.’ Daily Mail --This text refers to an alternate Paperback

edition.

Robert Muchamore was born in London in 1972 and used to work as a private investigator. CHERUB is his first series and is published in more than twenty countries. For more on the series, check out CherubCampus.com/USA.

I bought this book for my grandson's bday. He loves the series

I really enjoyed the action and drama of the book. It always kept me on the edge of my seat wondering what was gonna happen next!

This is a great book and well worth reading. It gives you an insight into how violent gangs can be and what tension there is. The plot of this book is a great one. I think it is great that James re-ignites his friendship with Junior Moore who has gone off the rails. Overall it is a quality book and one of the best in the series so far

Grandson Christmas gift. He loves the series. Thanks.

This was the best book in the series so far I recommend it a lot and I hope you enjoy the book

brilliant book

It was great. Action packed and exciting. But not good for younger kids, has sex and bad language. Loved it.

Bought the series for my 16 year old nephew who generally doesn't read - he loved them, insisting that he get the full set to read. A great way to get boys reading.
