Faster Than Falling: The Skylighter Adventures

Synopsis

Beneath the Ocean of Sky, heroes will rise. Samra Rose is in trouble. Living in a colony floating high above the clouds, she's been far away from anything resembling an adventure, but when aerial raiders carry off her home with her inside she gets more excitement than she ever wished for. Her best friend, Kipling, and a Grounder boy with a skyship will take to the air in pursuit, but all three will face dangers they've never imagined. The aerial ocean is a turbulent place full of deadly creatures and cutthroat pirates. If they hope to survive, they'll need to fight for their place in the Heights and confront those who have already claimed it. Follow the adventures of three unlikely heroes as they abandon the safety of home to seek a destiny aloft in the clouds. Fans of grand science fiction universes, steampunk airships, and daring pirate adventures will discover a thrilling new world of action, villainy, and friendship. Make the leap into the sky today! Find out if you have what it takes to soar... Reviews: "A glorious, detailed world and an epic story! "Faster Than Falling" is up there with the grandest of adventures, set in a strange new land. I was reminded strongly of Robin Hobbs' wonderful tales (in voice, not content). Van Coops beckons the reader through the door, then drags you into a fantastic ride, replete with eccentric tech; alien nature escapes ... and good old-fashioned piracy. Storytelling at its finest!" - Robert Scanlon, Author of Constellation.

Nathan Van Coops has very quickly become one of my favourite authors. His talent for creating perfectly detailed and extraordinary new worlds is quite unsurpassed. 'Faster Than Falling' reels you in from the opening words, and remains wildly captivating until the very last page. Filled with outstanding characters, bold escapades and breathtaking scenery, it is a fast-paced and brilliant adventure for all ages.

OMGosh - I received an advance copy of this book for review purposes and couldn't put it down! Action packed adventure and unforgettable characters make "Faster Than Falling" one of my all-time favorites. Enjoyable for adults and teens alike. Clean, fun, powerful, and just amazing! I'm giving a copy hot-off-the-press to my 12-year-old granddaughter who is Samra 100%!!! Will definitely read the next in series.

This book is a great start to a new series for Nathan Van Coops! There are new elements to this world that are unique to this books. This is a coming of age type of story that should appeal to teens and adults.

A great adventure with heroic characters that are interesting and yet relatable. A fantastical world that would also translate into a captivating cinematic retelling as a movie. The story was new but certain aspects are also reminiscent of some familiar cult classics and bring nostalgia, humor and emotional reactions throughout. Excited for the next installment and potential for the Skylighter story to be shared to a wider audience.

Good grief & little cat fishes as the saying goes, what a splendid read. Apparently I'm not yet willing to relinquish my youth as I'm 69 years going on 10! Now I might get some sleep!

Great characters and world building. Total suspension of disbelief. Nice, clean enjoyable read. Lots

of action. I hope to read more about this world and the people that live in it.

Good characters, intriguing storyline and setting. Haven't read anything quite like it before. I'm looking forward to reading more of this series.

Very enjoyable read. The world is imaginatively constructed and the characters are diverse and interesting. I look forward to subsequent books in the series.
