# The Illustrated Route 66 Historical Atlas

## Synopsis

The definitive, fully illustrated state-by-state atlas of the shifting alignments, historic sites, and current points of interest along the United States' beloved Route 66. Route 66 changed immensely in the six decades between its opening in 1926 and its removal from the U.S. highway system in 1985. Since that time, Route 66 has enjoyed a renaissance, and interest in America's Mother Road as both a historical byway and a travel destination continues to grow. In this unprecedented volume, prolific Route 66 author Jim Hinckley presents an illustrated Route 66 atlas that explores the road's history from its inception into the present day. The Illustrated Route 66 Historical Atlas is highlighted by more than a dozen specially commissioned maps that include points of interest along or near Route 66, divided into six categories: pre-1926 historic sites (such as Lincoln's home and presidential library); noteworthy landmarks; the locations of infamous crimes and disasters; parks of interest; key sites in Route 66's evolution (such as Hooker's Cut, Missouri, an engineering marvel when completed); military-specific sites (including Civil War battlefields and POW and internment camps); historic attractions from the road's midcentury heyday (such as Little Beaver Town and Geronimo's Trading Post); film-related sites; and locations important to Route 66's modern resurgence. Illustrated with photography and memorabilia in addition to the maps, The Illustrated Route 66 Historical Atlas is a unique, colorful, and visually dynamic look at 500 of the Mother Road's most significant sites from the past and today.

## Book Information

Hardcover: 240 pages

Publisher: Voyageur Press (October 21, 2014)

Language: English

ISBN-10: 0760345430

ISBN-13: 978-0760345436

Product Dimensions: 8.8 x 1.1 x 11.2 inches

Shipping Weight: 3.2 pounds (View shipping rates and policies)

Average Customer Review: 4.9 out of 5 stars 32 customer reviews

## Customer Reviews

"a...straightforward source of information on Route 66..." - RV Life "I don't hesitate to recommend it,

based on Hinckley's earlier books..." - RV Life

Since his childhood, Jim Hinckley dreamed of being an author. After numerous detours into truck driving, mining, ranching, and a variety of other endeavors, he turned to writing a weekly column on automotive history for his local newspaper, the Kingman Daily Miner, in his adopted hometown of Kingman, Arizona. From that initial endeavor more than twenty years ago, Hinckley has written extensively on his two primary passions: automotive history and travel. He is a regular contributor to Route 66, American Road, Hemmings Classic Car, and Old Cars Weekly, and he was an associate editor at Cars & Parts. Book reviews and original features on automotive history and travel can be found on his blog, [www.route66chronicles.blogspot.com](http://www.route66chronicles.blogspot.com) and on his popular podcast, Jim Hinckley's America & Route 66 Adventures.

Yes! My husband and his brother love it! Can't wait to hit the road!

Totally cool book with tons of info on the Route that will come in handy on our tour I'm sure.

My parents love to travel and had just been talking about a stop they made on Rt. 66. I got this book for my father for Christmas and he loved it! It's a really nice book that covers lots of stops along the route. I think anyone who is interested in road trips/Route 66 would appreciate this guide.

Very ndetailed atlas, nicely illustrated, with many historical details. A definite plus for anyone researching Route 66 or wanting not to miss anything as they take a trip along it.

Good book--especially if planning an old-time Route 66 drive.

Well put together. Brings you down the Mother Road state by state. Great information.

I saw this book in a catalog and decided to see if I could get it on . It was the exact same book but cost about \$10.00 less. My husband loves Route 66 and this book made his Christmas.

Was a Christmas gift, I was told that he enjoyed this book tremendously as he part of the Route 66 on a Motorcycle with a large group of friends and tour group and was a trip of a lifetime.
