Carry Me Home, My Love: Grand Finale - Titus Ridge And Honora Carson (The Elusive Groom Book 8)

Synopsis

When Honora Carson came to Glendive as a mail-order bride five months ago, she had no idea of the heartache and pain that would follow. For five months, she hasn't laid eyes on her fiancé, who went missing a few days before her arrival. Titus Ridge wants to come home to the woman he loves, but evil forces are conspiring to keep him away. Will our heroic couple finally meet and marry? The Elusive Groom series follows the incredible journey of Bride-to-be, Honora Carson, in her search for her missing groom. On arrival in Glendive, Montana, as a mail order bride, she is shocked to discover that Titus, her intended, has disappeared without explanation. Honora's determined journey to find him takes her on a roller coaster ride of romance, where she finds herself embroiled in more than one love story along the way, before finally completing her own! Each book in the series is a wonderful standalone story, and also part of a wider story that spans the entire series.

Customer Reviews

I loved this book from beginning to end. I couldn't put it down until I finished it. I love a happy

ending.

Another great short read by Terri Grace! Honora Carson has gone west to marry Titus Ridge, but when she gets there her groom Titus is missing. He has witnessed murders and has to hide out to keep from getting killed. Honora waits for Titus to come back home she knows he is alive, he keeps sending her clues letting her know he is alive. Finally after Nora is kidnapped and they plan to kill her. Titus has his Indian friend Wildfoot follow them, Ed and the Pinkerton detective's get all the information they need to arrest them. Honora and Titus are finally married after 5 months of waiting for Titus to be able to come home. I enjoyed this series! I highly recommend this book and the whole series!

This was well worth the wait in western Historical Romance Kindle Books from at a special price and from a delightful author. The Bride arrived but the Groom was missing, they had waited for months and were excited to meet only to be left waiting for five months before they could be together. This book had theft, murder, kidnapping, danger and suspense filled events that took place.

This book was so hard to keep up with. You couldn't figure out who the characters were. I usually enjoy Terry Grace's books (for very light reading) but this one was wayyy too confusing. It was said to be a stand alone book, but not even close. And I even read the one before it!! I wouldn't recommend this book.

This is one of the best series I have read in a very long time. Every emotion you can think of was in this series. I couldn't stop until I finished. There was happiness, frustration, laughter, tears and in the end the best ending through all of the pain!!

This is the eighth and final book in Terri Grace's "Elusive Groom" series. While each book was a stand alone tale, also included was a piece of Honora & Titus' adventure. You won't be disappointed in reading all eight stories.

This is a great series I enjoyed reading all of them. I love that there was finally a happy ending for Nora. Thank you

Always good page for page, chapter for chapter, book to book. I really love when a series flows like this one. The best part every character was mentioned in the last book..
