Milet Publishing is a leading independent publisher of books for children, young adults, and adults, featuring more than 300 titles in English and more than 25 languages that celebrate multiculturalism and multilingualism. They are based in Chicago.

Way too simple and short. Maybe O.K. for 18 mos old child. It's NOT about music. It's simply a few pictures of instruments with the name of the instrument.

I was searching for a simple board book with instruments and their names only and this bilingual one fit the bill. Each page features one instrument on a colored background, as you see on the cover. There is also a small amount of adornment (repeating stock images in silo form) on each

page aside from the main instrument on each page. Otherwise, this book is great, just wish there were more instruments because my toddler is obsessed with instruments. Instruments included are: electric guitar, drum set, violin, piano, trumpet, saxophone, bongos, tambourine, double bass, harp, harmonica, bagpipes, clarinet, flute, bass drum, trombone, acoustic guitar, mandolin, accordion, conga drums
