Great book, my friend enjoyed it!

This book was a nice gift, fortunately my friends knew a lot of things about Elvis, as they would not have learned very much from the amount of writing. But the pictures were good, and I hope that makes up for it.

This guy was my late wife's idol so I bought it for her! Too, too bad he got into drugs, but THAT is the entertainment industry.

My 10 year old has a fascination with Elvis and this may be one of his favorite presents. It comes with a music cd. The pictures in it are fantastic, but Life has always put together really great books.

This is a wonderful "remembrance" and will delight all Elvis fans. There's nobody like Elvis, nor will there be. Thank you, thank you.

Actually this is a book from five years ago with a new cover and title. TL did add a CD with this one of nine Elvis songs. One of them an outtake of Girl of My Best Friend. If you have the "25" year book, you don't need this one. very little has changed in the book. This time it is hardback which is nice.

Great book and very interesting stories and Elvis fan would love

It was lovely and will be an excellent addition to my library
