One of the leading authorities on fashion history, Tom Tierney created over 150 paper doll books for Dover Publications. With subjects ranging from U.S. Presidents to popular movie stars, Mr. Tierney's books are famous for being carefully researched and meticulously rendered. His releases are prized by fashion professionals, collectors, and paper doll lovers all over the world.

Great

Most of Tom Tierney's modern-day paper dolls are dressed in clothes not too different from anything you might see on the street. This one, being a high-fashion model, is a bit more extreme (Tierney began his career as a fashion artist, back before all fashion illustrations were photographic); when

you look at the doll itself, you wonder if anyone ever really has legs that long. And her outfits are, of course, designed to impress, not necessarily to be practical. There's street wear, casual clothes, outfits for "at-home entertaining," and what we used to call "formals," topped off (literally) with an assortment of sometimes flamboyant wigs. Tierney clearly had a lot of fun designing these outfits, not having to stay within the boundaries of some other fashion or movie-costume designer, and for that alone, this book should be in your doll collection.
