I'm an accomplished photographer and this book is the "holy grail" of photography. It has the most incredible photos of Costa Rica, cementing the visual impressions my wife and I had in visiting the country recently. Some books look pretty and make a nice "initial impression". Costa Rica Pura Vida grabs your heart every time you open its richly pictured pages. The vistas are so compelling, new insights occur with every viewing.

I vacationed in Costa Rica and this colorful book was in our suite. We had such a wonderful time I wanted this book to remind me of the beauty of Costa Rica.

Wonderful "souvenir" to remember my trip to this beautiful country!

Beautiful book with hundreds of awesome pictures. Perfect as a reminder the family vacation this summer.

Great book with a lot of interesting information and great photographs

A beautiful book Many of the illustrations are of places I visited in Costa Rica. It will have a special place in my library.

An amazing book, if only I had bought it before we went to Costa Rica! Totally amazing, highly recommend the visit.

Beautiful photography! Makes me want to return soon!
