Perfect

It's a map..what else is here to say. It's a little to large for our use when we go to Wales but good for mapping out where we want to go.

It's nice to be able to lay this map out on the table and see the big picture. I really like how the points of interest are indicated.

I haven't used this map yet but expect to do so on a trip to Wales this summer!

It is a solid product.
