Beauty And The Goblin King (Fairy Tale Heat Book 1)

Synopsis

Maybe I was the girl Clara didn't want me to be. Here I was, with the goblin king, and I didn't want him to stop. For the past ten years, the Goblin King has stayed locked away in his caverns. He only opens his doors for one purpose: he will give one gold coin for every night a girl is willing to spend with him. Despite his fearsome reputation, his fangs and claws, the girls come back safe and sound, and they never say a word about it. One must be very desperate to accept such an offer or very curious. Well, everyone says curiosity has always been my downfall. Too clever for a girl so beautiful. Now my family is on the brink of losing everything. My sister Clara knows the goblin king's story has always intrigued me, and she's willing to sacrifice me to get her hands on his money. But I finally have the chance to sate my curiosity. What will I find when I get there? A man who is cruelly cursed, haunted by a past misdeed? Or the man who will unlock all of my secret desires? It has been a long time since the Goblin King trusted anyone, but if he is willing to trust me, I might be able to save him and his people. But the witch who cursed him is close at hand, and she doesn't play fair. Beauty and the Goblin King is a fairy tale retelling for those who like an adorable happily ever after with a side of serious steaminess!

What fun read. Beauty and the Beast told in a new, delightful way. I can't wait to read the other books.

As a huge fan of fairy tales I've read them all the originals that is. So when I see twisted ones I so need no have to read them. Ms. Foxglove has done a wonderful job bring the original in mixing in xxx for that grown-up spice. Well done can't wait to read the rest of your work

If you love an erotic Beauty and the Beast retelling hit that 1-click button. You haven't scrolled up yet? What are you waiting for?!Ok fine5 stars for getting to the point4 stars for male lead development4 1/2 stars for the sex scenes for better scenes the book would have to be longer with more character development. But for a quick flush of the cheeks, yep it delivers.I loved Sabela's voice! She was strong, opinionated, and loving when she need to be. Loved it! I will be 1-clicking the next in the series ã Â Â^Â

Sablea is feisty, sassy, and a book freak. Nyar is a different kind of king. I loved their interactions. There was sympathy, humor and sadness. A touch of mystery, a touch of humor, a touch of lust. What a great combination!

I have deeply enjoyed each of the books in this series. I love to read fairy tales with twists. Lidiya is very creative and gives you just the right amount of steamy romance and exciting narrative. I can never put these stories down and can't wait to pick up the next one. I would love to see on based on the Coat of Many Furs. It is a little known take that made my imagination spark as a child. Thank you for giving me a take on the Twelve Dancing Princesses. It and the Tinderbox have always been my favorite tales.

I really enjoyed this book! The story of the Goblin King retold with magic, a feisty heroine, a tragic event, and lots of fun bedroom action! I highly recommend this book!

Shorter than I would have preferred, but an excellent and enjoyable short story. I might read the others in the series as well, I enjoyed this author's writing.

Super cute version of fairy tale. I recommend this series, and this author :)
