Introduction To The English Legal System 2017-2018

Synopsis

Introduction to the English Legal System is the ideal foundation for those coming new to the study of law. Writing in a highly engaging and accessible style, Martin Partington introduces the purposes and functions of English law, the law-making process, and the machinery of justice, while also challenging assumptions and exploring current debates. Consolidating over 40 years' experience in the law, Martin Partington examines beliefs about the English legal system, and encourages students to question how far it meets the growing demands placed on it. Incorporating all the latest developments, this concise introduction brings law and the legal system to life. This book is accompanied by an excellent Online Resource Centre, which houses: questions for reflection and discussion; multiple choice questions; a glossary; further reading materials; web links; and a link to Martin Partington's blog, which covers his views on key developments in the English justice system.
