## Customer Reviews

Mari Schuh is the author of more than 130 nonfiction books for children, covering topics from tomatoes to tornadoes. She has written numerous articles for daily newspapers and has presented at the West Virginia Book Festival. Mari lives in Wisconsin with her husband, Joe, and their house rabbit, Kindle.

Big hit with our 5 year old grand child

my granddaughter is really into "rocks".....she loved this book

Bought this book for two of my grand kids. They love it. My daughter has been reading them parts of it at night before they go to bed, the. They have been taking turns taking it to school. Really well made book that should last for years.

Great book!
