The Milly-Molly-Mandy Storybook

Synopsis

The stories of Milly-Molly-Mandy and her family and friends have charmed generations of children since they first appeared in 1925. The Milly-Molly-Mandy Storybook, written and illustrated by Joyce Lankester Brisley, is a collection of twenty-one classic tales about this resourceful and thoughtful little girl reflect with accuracy the dilemmas and challenges of a child's world. Young children today will love to hear how Milly-Molly-Mandy decides to spend her first penny, looks after a hedgehog, and spends her first night away from home. These timeless stories are perfect for reading aloud, for older children to read by themselves, or as a story before bedtime, and will bring back many happy memories for many parents and grandparents. The book's endpaper feature a two-page map of Milly-Molly-Mandy's village complete with drawings of cottages, fields, streets, and shops making it easy for children to follow Milly-Molly-Mandy from place to place.

Customer Reviews

Joyce Lankester Brisley (1896-1978) was born in Bexhill, England. Her first stories about Milly-Molly-Mandy were printed in 1925 in the Christian Science Monitor, and a collection appeared in book form in 1928. She wrote and illustrated six collections of stories about Milly-Molly-Mandy. The Milly-Molly-Mandy Storybook was published in the UK in September 1996. She also illustrated books by other authors, including the classic Ursula Moray Williams story, Adventures of a Little Wooden Horse.

My 2 year-old daughter asks we read this book every night. Some nights she just wants to look at the few illustrations or asks about particular stories. The language is simple, yet captivating enough for a preschooler. She has learnt new vocabulary through listening to the story.

These stories are very well written. Milly Molly Mandy is a very polite girl who is very responsible and respectful. She has many qualities that I would love to see in my own children. What a perfect book full of 3-5 minute stories to help inspire my children! My sons and daughters alike are enjoying these adventures!

Simply adorable! My three year old daughter LOVE this book! The stories are simple and self contained in each chapter-yet lend to the progress of the whole book. The simplicity is adorable with a touch of quirky. Even my 7 year old boys like to join in with us while we read this book. Great childhood experiences brought to life with adorable illustrations. A true children's classic!

Best storybook ever for little kids! So nice to have a break from all the junk out there--just licensed characters and Princesses! This is a wonderful break to simpler times with interesting stories!

This is a very cute story that I have been reading out loud to my two year old. Her older siblings have often wandered by and enjoyed the stories as well.

Bought for my grand daughters because my daughters loved the stories. Gentle tales of an era where life was peaceful and families communicated by talking, ate proper meals together and children played imaginative games. Read and learn how life can be ..if people are polite and care about each other and rudeness and greed are deemed Bad Manners!

We loved it! I read it to my 5 year old granddaughter a chapter at a time, whenever she visited. After the last chapter I told her the book was finished and she almost started crying.

can't wait to read!
