# Nothing Is Impossible: My Story

## Synopsis

I immersed myself in magic. I read every book I could get my hands on and practised and practised, day after day and night after night. Magic became my world . . . some might say an obsession. When youâ™re a kid life can seem tough; tougher for some than others. But the darkest of times can also be the most enlightening. When his late granddad showed him magic for the first time, Steven Frayne knew there was more to life than hiding from bullies. He had a destiny. A calling. In that moment Dynamo was born: the most exciting magician of the 21st century. Since then, Dynamo has shocked, thrilled and amazed men, women and children, from all walks of life, all over the world. With his mind-blowing illusions, he has catalysed a whole new era of magic. Now, in his very first book, Dynamo invites you to join him on a breathtaking journey across the globe. Be prepared to levitate Lindsay Lohan in Singapore, transform snow into diamonds in the Austrian mountains, and walk on water across the River Thames. Along the way, he reveals how to make the impossible possible, what it takes to pull off the greatest stunts man has seen, and why everyone needs magic in their lives. This is no illusion. This is the real story of the awe-inspiring Dynamo.

## Customer Reviews

"A terrific read" -- Jonathan Ross

Dynamo is an English illusionist.

This man is pure inspiration. I admire him greatly. To overcome such great difficulty and pain, to become the world's best magician. This man has real talent.. I often feel he actually has some real supernatural powers. How else does he do what he does. He is very strong and committed to his passion. What a true inspiration you are Stephen Frayne. Superb book. Bless u Stephen for sharing your life with others. You truly are an incredibly amazing man. I hope the world treats you well.

Steven Frayne takes us with him, in his endearing and authentic manner, as he moves from social and physical adversity to triumph, as the amazing magician Dynamo. As a biography of an exceptional person, it is well worth reading. It could also serve as an inspiration for anyone struggling to overcome their life obstacles.

I found this a really enjoyable and inspirational book. I finished the book really feeling connected to the magic of life and Dynamo somehow manages to leave you feeling full of belief...that anything truly is possible! He is a fantastic role model with his feet well and truly on the ground, thank you Dynamo for sharing your experiences in such an honest and open way!

Inspiring, honest, heart-felt and motivating! The truth behind this powerful individual is awe-inspiring! I was glued to every word and experienced every heartbreak, loss and disappointment; but also every success, victory and achievement! Loved it!

I bought this book for my grandson because he is into Magic. He loved it and this is his favorite magician. It was very much appreciated.

Magical book for a lover of magic.

Good

Interesting but not spellbinding.
