Loved it. But I would love to read more about Tori and Tory , that would be a great spin off. Love this ending.

This has become one of my favorite Author's that knows how to write, deliver, and execute a story that can pull you in from beginning to end. It seems like Dogada troubles didn't end with the death of Amber and his son. He slowly but surely started to find out there were someone lurking in the background wanting revenge. Erica stood behind her man one hundred percent and didn't mind proving where her loyalty lied. Their bond was unbreakable. I don't see how Keenan put up with Mel trifling behind for so long. Mel was didn't have a motherly bone in her body. She disgusted me with the way she treated her daughter's and the lengths she went through just for monetary gains. Keenan was in shocked when Mel secrets started coming to light. Jade was truly a outstanding woman for what she was doing for British, Keyona, Leigh. I'm not surprised with how she handled Mel.

Don't mess with a Rude Boy Thinking Their Sweet!!! Keenan was a real stand up guy, Mel took advantage of his kindness, She was straight gutta, he found a real one with Jade, She loved the girls and proved it when she handled Mel, Dogada was trying to stay calm but they kept coming for him first TiTi, and when the father went after Erica it was a rap, Mom Harris wasn't a joke either, and Grandmom was a mess, glad everything ended good, maybe we will see a spin-off Tori and Troy, Ricardo and Maria everyone needs love

5Ã¢Â- Â•...Loved how two broken hearts and spirits came together in this series. Refreshing just having love you can count on. Dogada had his challenges in the beginning some serious heart break but he turned out to be a good man. Erica overcame so much and she became my Shero. So glad that Jade And Keenan where able to work it out. This was a story of love, revenge, family, friends. Must Read series!!

She did that! This finale was everything and had it all! The plot twist was real! Jade came through and showed up and showed out for real. She was not here to play around with anybody. Erica is crazy too. Dogada, Keenan, & Troy are insane for real. When Keenan opened that box! I had to reread that to make sure I read that right! Like really! I was so happy Mel got what she deserved!

I enjoyed this finale. It had a good flow and kept you entertained. I liked the development of jade and Keenan, I loved how hard they went for each other's kids. Erica and dogada were too cute. I wish we had gotten a little more on tori and troy but the updates were nice. Good thing karma came back full circle for people that deserved it. Good read.

Man Keenan showed *ÀçÂ^Â•* and showed out. That savage showex up quick about his girls. Mrl was just a poor excuse for a mother. Jade and Keenan was made for each other. Delgada and Erica what a love story from a one night stand. I hope i hear more from Troy and T.

Wow it was amazing how everyone seems to have something against Lachey's. Vanessa tried to use what she got to get what she wants and it back fired on her. I will love to know if Troy answer
Tori put a label on their situation.
