Kate Spade New York: All In Good Taste

Synopsis

New York Times Bestseller in this charming guide to entertaining, kate spade new york throws rigid rules out the door and shares unpretentious ideas for the modern-day hostess that are easy, festive, authentic, and always with an air of deliberate polish. Filled with how-tos, personal essays, anecdotes, recipes, and a liberal dash of style, all in good taste will transform you into the hostess everyone wants an invitation from. The book covers the essential lost arts—how to shuck an oyster, curate a vibrant guest list, guide a dinner-table discussion—right alongside modern conundrums such as Instagram etiquette at dinner. Whether you entertain a little or a lot, or just love being the person everyone wants to sit next to at dinner, all in good taste is the modern classic you'll treasure for years. Disclaimer: The wine stain on the cover of the book is a design element and is intentional.

Customer Reviews

Kate Spade New York started with four people in 1993. It's grown a bit since then, but the charming dream-big, anything-is-possible mentality has stayed the same. In the past 20 years, the onetime handbag company has become a global lifestyle brand with shops around the world and categories including handbags, clothing, jewelry, shoes, stationery, accessories, fragrance, and home.

Highly recommend this book for a good read and doubles as a gorgeous piece of decor in your bookcase or coffee table.
