Leonard Stern and the late Roger Price are two of the founders of Price Stern Sloan. Leonard Stern lives in Beverly Hills, California.

My daughter has autism, and during her last IEP it was brought up that she was struggling with her who, what, when, where, and how questions! So mad libs was my answer to finding a fun activity for us to do after school to work on her skills!

Always a good thing. Kids love em, I love em. Kids can never say they are bored in my house. I will toss this at them or a point to the mop and say you decide...madlibs with me or cleaning. Mad libs usually wins...its a no brainer!

Cute and girly. Love the pink paper inside and sparkles on the cover

This brings so many laughs! ã Â Â^Â

Looks super cute, the pink pages are super adorable!! The content is very relatable to tweens!

It's so cute and girly. Pink pages, are a change up. Perfect for my neices birthday party sleep over. Great find, good price.

I expected it to be more creative, I mean I remember mad-libs being a nonstop riot but this one wasn't all that funny :-)

Bought for 12 year old nieces. It gave them hours of fun.
