Fiestas

Synopsis

Carefully crafted for both Spanish and English audiences, this radiant bilingual collection (a follow-up to the highly successful *De Colores* and *Diez Deditos*) includes over twenty holiday songs and rhymes gathered from Spanish-speaking countries. The songs focus on holidays that specifically honor Latin American culture-Cinco de Mayo, Carnival, C sar Ch vez Day-as well as on familiar fiestas celebrated around the world-New Year's, Christmas, Halloween, Mother's Day, and more. With simple music for piano, voice, and guitar; informative background notes placing each song in context; Spanish and English lyrics presented side by side; and colorful collage illustrations, children of all ages will delight in this joyous new collection by the award-winning team of Jos -Luis Orozco and Elisa Kleven.

Finally, *Fiestas: A Year of Latin American Songs of Celebration*, selected, arranged and translated by Jos -Luis Orozco, illus. by Elisa Kleven, marks the third collection of songs for the pair. This one suggests a song for every month, along with a description of the holiday it commemorates.

Kleven's illustrations bubble with life. Like Orozco and Kleven's other songbooks, this offers a

spirited slice of Latin American culture! -- Booklist, September '02 Not only an exemplary songbook, but also a stunning visual experience. An excellent resource for music and bilingual programs! -- School Library Journal, November '02 Schools will be very interested in this attractive, jewel-like songbook...useful for teaching children Spanish and introducing holiday traditions. -- Kirkus Reviews, September 02

excellent book

This musical artist is wonderful! This is a lyrics book only (music CD sold separately). Traditional Mexican children's music is a must have for classrooms who are learning about different cultures.

As a Spanish teacher at the high school and university level, I find that most of the songs are a bit juvenile for my students, but still, some songs can be very useful. The pictures are exciting, and the songs are arranged seasonally. In addition, the music for the songs is included (the melody, at least), which puts this book a step above the rest!
