Nice, useful book for basic Kombucha tea and precautions. It is surely worth the \$2.99 that I paid for it.

Quick reference, great for a beginner who's ready to do it. No questions left to ask. Great find.

A good book! very useful.

This book was very informative and inexpensive. I'm a beginner and it was very helpful! A few pictures of the process would have really helped but all in all I now feel more comfortable starting my own kombucha tea!

Needed a refresher on how to make kombucha. Have been drinking it for two weeks, had forgotten how much I enjoyed it.

A great introduction to the world of kombucha. It contained the needed information to prepare you to brew your own highly recommend
