Synopsis

GET THE COMPLETE Saint Sloan SERIES IN ONE BOX SET and save!The day before Sloan Bridges turns eighteen, her dream of having a perfect birthday is shattered. Home alone after spending the afternoon working on a science project at the new boy's house, Sloan is brutally attacked in her kitchen by a man she can't recognize. The only clue she has to go on is what he whispers in her ear, "You deserve this." The police have one suspect--Aaron Hunter, older brother of 'the new boy', who picked Sloan up a few nights before as she ran from a party. Adamant that he didn't do it, Aaron begs Sloan to believe him. For her part, Sloan doesn't know who to trust. She never saw her attacker's face, and when she does picture it, it's Aaron's face she sees standing over her. Trying to move on is impossible with a former best friend who taunts her and gives her the moniker, "Saint Sloan", an ex-boyfriend who doesn't understand why she changed a few months before her attack, and Aaron's brother, Ray, who makes Sloan smile but has a side she doesn't understand. With her attacker ready to strike again, Sloan has to figure out who would hurt her and stop him before he finishes what he started. Happy birthday to her... Enjoy the complete Saint Sloan trilogy!

Customer Reviews

So good!! I finished this series in 2 days, once I started reading I couldn't stop. It has everything-love, suspense, mystery, a little bit of all. Love the characters and how it keeps you guessing who did it. Great read, you won't be disappointed!
