When Worlds Collide

Synopsis

He was the son of an old family, a family not only of wealth but a great history going back hundreds of years. As such his future had been mapped out at birth. He knew his duty and had never given it much thought. Until his years in the marines showed him a different world. Still, he was more than happy to follow the status quo, until he met her. She was the daughter of the groundskeeper, someone they both knew would never be accepted by his peers and definitely not by his mother. But how could he deny the heat between them each time they meet? Or ignore what his heart tells him each time he looks into her eyes? Will he defy convention, turn his back on his duty to his family name? Or will he give in and condemn himself to a life of misery without her?

Customer Reviews

This is a great story about following your heart. What was good about it was it was at the beginning when he made his decision, it didn't make the reader suffer through almost a whole book before he finally manned up.

Book was good loved the way he treated Lucia and respected her. A must read 5 stars. Jordan

Silver never lets you down with her stories.

Thank you for the fix Mama B! Love the book, it's sweet and passionate and right to the point, please keep them coming.#ForeverYourFan

There is not one Jordan Silver book that I have not read and there probably won't be. I will tell you this though this book still had all they key elements that signify a Jordan Silver original but was written in a total male POV. Most of her books are written with a primarily male POV with enough female voice to let you know how she handles her cave man with a general sense of humor. I love that Ms Silver's biting sense of humor comes through as destictive as well as unique making her ability to write from the male POV in such a way that it shows how different males and females think. Her timeing in all things from caveman possessiveness to total frustration with his female in any number of situations leads to some of the most emotional and comical reading ever. I am a diehard Jordan Silver fan who would recommend this to all women who ever wonder what those sturck stupid looks are on the faces of our men mean to by all means check out this book as well as a host of other of her books. So please sit down and enjoy and get just a little lost in what its like to think like a man.

Madam Butterfly- WOW. Ok let mestart off by saying i adore Lucia and Ethan. You couldn't help but fall in love with them. I gave this book 5 ⭐️because doesn't have 10. I just couldn't put it down. I am about to read it again for the 2nd time. As usual Jordan Silver has given us a delicious,delightful,astonishing and breathing book to read. Can't wait for more!!!

** spoiler alert ** After returning from serving for the Marines, Ethan knew that his duty would be to marry someone of his station and produce heirs. He never counted on her. One look at Lucia and Ethan's world spiraled. Will he go against the grain and choose who he wants? Will they get their happy ever after?Loved this Jordan Silver book! It was hot and steamy with a twist. I did understand Ethan's POV and was happy when he put his foot down before it was to late. Great read!

This is what I would consider a true love story with Jordan's flair. I tried to put the book down but I just couldn't. It was wonderful to see the hero of the story to work as hard as he did for the woman

he loved it.

Ms Silver never disappoints. This felt like the Jordan Silver I love to read. I love her Alpha Males and the Sassy Heroines that tame them.
