Need more up to date info.

Short and sweet guide to some cultural quirks unique to Cuba. A fairly old book but still has pointers I haven't found in other guidebooks.

Great little book. Handy size. Gives you some history without getting deep in academics and helpful everyday hints and helps....like what to tip and not to tip, Bathrooms, cabs, food. Well worth the \$\$ if you are going to Cuba.

Good book to read prior to visiting Cuba...

This small book should tell the Cuba bound traveler much of what they need to know. Doesn't get into the political situation, which the traveler will learn on their own if they keep their eyes and ears open and ask many questions.

Nice pocket size guide that can travel with me

Great overview for the 1st time traveler to Cuba

Excellent reference book.
