Let's Have A Daddy Day

Synopsis

“When you’re all grown up and you look back on this day, you’ll know how much I loved you ’cause we took the time to play. A Daddy day? Why not! What better way for a child to enjoy being with Daddy and Dad to enjoy being with his little one? These heartwarming rhymes by bestselling author Karen Kingsbury offer great ideas for children to have simple, fun times with Daddy, and to come up with ideas of their own. Geared for kids and dads alike, this endearingly illustrated book will become a cherished addition to the family library.

novelist with over 20 million books in print. Her Life-Changing Fiction™ has produced multiple best sellers including *Unlocked*, *Leaving*, *Take One*, *Between Sundays*, *Even Now*, *One Tuesday Morning*, *Beyond Tuesday Morning*, and *Ever After*, which was named the 2007 Christian Book of the Year. An award-winning author and newly published songwriter, Karen has several movies optioned for production, and her novel *Like Dandelion Dust* was made into a major motion picture and is now available on DVD. Karen is also a nationally known speaker with several women's groups including Women of Faith. She lives in Tennessee with her husband, Don, and their five sons, three of whom are adopted from Haiti. Their daughter Kelsey is married to Christian artist Kyle Kupecky. Dan Andreasen lives in Medina, Ohio, with his wife and three children. Dan began his career as a professional sculptor for American Greetings Corp. Now a children's book illustrator and graphic designer, he has illustrated more than thirty picture books.

Fun with Dad and a fun read too.

Rather than kids buying stuff or trying to do chores for a parent, this book takes a normal day in parenthood and makes it special by pointing out how low key, almost mundane ways of having fun may be the most meaningful of all!

thanks

Great gift for my husband--except didn't want our young children to rip the pages, so I had to put it up until they're older. Kingsbury's books for children are wonderful.

Sweet book.

I gave this book to my husband as a Father's day gift from our infant son. The illustrations are beautiful and I smile when I think about my husband reading it to my baby in the future!

This was a gift for my 7 great grandchildren given to their mother (my daughter). They have all enjoyed it very much would love to have others like this one. Of course Karen Kingsbury always writes the most precious bookd.

My eyes feasted on the cute and touching illustrations by Dan Andreasen as I read this entertaining book. The children in this story get all excited about spending the day with their Daddy. They think up all these exciting things to do with their daddy. They soon discover one of their favorite ways to spend time with Daddy is in giggle time, which includes a lot of laughing, hugs, and kisses. It is just as much fun and important as all the projects and adventures they had planned; like building a tree house, catching frogs and other exciting outdoor fun. Making memories with their Daddy to last a life time is the main thing no matter what. Karen Kingsbury has written a children's book about having a Mommy Date a few years back. I enjoyed that book too. Its fun how the adventures in both of these books are so different. Mommy and Daddy dates are something my husband and I have done with our children. It has definitely created special memories I cherish. I'm so thankful that Karen had captured the essence of Mommy and Daddy dates in her books. It makes it more meaningful to read with your kids and grand kids! Nora St. Laurent ACFW Book Club Coordinator
