Tooth Fairy's Night (Step Into Reading)

Synopsis

Spend a night on the job with the Tooth Fairy in this rhyming Step 1 reader! In this Step 1 early reader, a twinkly, sneaker-wearing Tooth Fairy zips around a dreamy neighborhood in a typical night at work. Readers will delight in exploring the details of her tiny world, and in the exciting (yet mild) brushes with danger! Any kid who has lost a tooth, or who just wonders what it would be like to be very small and have the power of flight, will happily dig into this fanciful journey. Step 1 Readers feature big type and easy words for children who know the alphabet and are eager to begin reading. Rhyme and rhythmic text paired with picture clues help children decode the story.

Love this book! Purchased for my daughter when we first discovered her loose tooth! She loves to read about the Tooth Fairy's adventures and I love the illustrations. This Tooth Fairy looks like my daughter and that is important to me. I'm always on the lookout for diverse literature that helps my daughter feel valued and included.

I'm going to be a tooth fairy tonight and slip this book and a few dollar bills under her pillow.

She's turning 6 in 2 weeks and about to be a first grader!

I gave this to a little five year old girl and she loves this little book.

My daughter enjoyed the story.

My daughter really loves it! She's 6 and loves to read. This was perfect for when she lost her first tooth.

A very good first reader book.
