Catch The Bouquet! #12 (English Roses, The)

Synopsis

The final installment to the chapter book series featuring Madonna's bestselling characters, the English Roses! The English Roses' number-one teacher, Miss Fluffernutter, is getting married to Binah's father! The Roses couldn't be happier for their beloved teacher, or for Binah, whose own mother died when she was just a baby. And Binah is thrilled at the idea of having a stepmother like Miss Fluffernutter that is, until she realizes that a new woman in her father's life means less time for Binah. Binah misses her father terribly. And it doesn't help that Charlotte is driving everyone nuts trying to plan the perfect wedding. Can the English Roses save this walk down the aisle from going totally awry?

perfect thanks

Bought every one!

My daughter has chosen to start reading this collection and she is very much in love with the complete storyline

GREAT BOOKS!

We love all of the books in this series! Perfect for girls as young as 9, especially if an older sister reads this to a younger sister. Wonderful!

A very good book, although I was a bit disappointed for its lack of colourful illustrations comparing to the first book of the series.
