Cherringham - A Cosy Crime Series Compilation (Cherringham 10 - 12)

Synopsis

Jack's a retired ex-cop from New York, seeking the simple life in Cherringham. Sarah's a Web designer who's moved back to the village find herself. But their lives are anything but quiet as the two team up to solve Cherringham's criminal mysteries. This compilation contains episodes 10 - 12: A Deadly Confession, Blade in the Water, Death on a Summer Night. Here local priest Father Byrne meets his unexpected demise. Jack and Sarah investigate - who could harm the beloved Father? And what secrets did he take to the grave? The Cherringham Regatta is shaken when vandalism of boots turns into bloody murder. And when a murder suspect is freed from prison after 25 years, it's apparent someone in Cherringham wants him to continue serving his sentence - to death. But Jack and Sarah start to question... did he commit the crime in the first place? Cherringham is a series à la Charles Dickens, with a new mystery thriller released each month. Set in the sleepy English village of Cherringham, the detective series brings together an unlikely sleuthing duo: English web designer Sarah and American ex-cop Jack. Thrilling and deadly - but with a spot of tea - it's like Rosamunde Pilcher meets Inspector Barnaby. Each of the self-contained episodes is a quick listen for the morning commute, while waiting for the doctor, or when curling up with a hot cuppa. For fans of Agatha Christie's "Miss Marple series", Lilian Jackson Braun's "The Cat Who series", Caroline Graham's "Midsomer Murders", and the American TV series "Murder She Wrote", starring Angela Lansbury. Co-authors Neil Richards (based in the UK) and Matthew Costello (based in the US), have been writing together since the mid 90's, creating content and working on projects for the BBC, Disney Channel, Sony, ABC, Eidos, and Nintendo to name but a few. Their transatlantic collaboration has underpinned scores of TV drama scripts, computer games, radio shows, and - most recently - the successful crime fiction series Cherringham. The narrator of the audiobook, Neil Dudgeon, has been in many British television programmes including the roles of "DCI John Barnaby" in "Midsomer Murders" and "Jim Riley" in "The Life of Riley".

Love the characters and village culture. Jack's integration into village life is wonderful. Just the right balance of elements that make a mystery successful! The Austin Healey is also special. We owned a 3000 for many years.

These books are so entertaining, taking the reader with them on investigations and into the mysteries. You feel like the third partner in the Sarah and Jack investigation team as you figure out the who done it with them.

All of the Cherringham mysteries are great reads. And super listening with Midsomer Murders Neil Dudgeon narrating.

I'm retired, but my life is extremely full / busy. I don't have time to read long and lengthy books. So, these rather short books are perfect! I've been thoroughly enjoying reading the Cherringham Mystery Series, but I have to say this one (#12) is the best yet!

Love these stories, fun, "clean" and Neil Dudgeon reads them beautifully.

A great cozy mystery. All the Cherringham books are good. I started with book 1 and I am on book 19 and have like every one of them.

The plots are great, the main characters are wonderful! Very well written plots, all in a very nice environment. I was not able to stop reading!

I'm in love with this series! Love Cherringham, and the developing characters. Quick reads with interesting mysteries that I can enjoy during lunch or when I have a free hour or two! I have purchased all of the compilations and the novel and also the first three in English from Audible!
