# Tacky And The Haunted Igloo (Tacky The Penguin)

## Synopsis

It's Halloween, and Goodly, Lovely, Angel, Neatly, and Perfect are planning the spookiest haunted igloo ever! They've decorated with spooooky cobwebs, they've baked some awful waffle treats, and the only thing left to do is dress up as something scary to haunt the igloo. Everything is going spooktacularly . . . until! Ghostly hunters show up! They want all the penguins' snacks, but their trick-or-treaters (and, of course, snacky Tacky) have eaten them all. How will the penguins get out of this mess? Tacky will teach these trick-or-treating hunters that, if they can't get treats, they're surely going to get tricked.

## Customer Reviews

K-Gr 2 • Tacky has another hit on his hands. The eccentric penguin yet again finds a way to save the day as the hunters make their way to ruin a very festive, and very haunted, Halloween. This engaging tale has a timely twist that will certainly incur some giggles as the penguins dress up as what they are most afraid of; kids will relate to fears of the dark, thunderstorms, monsters, and in Perfect's case •bubbles. Turning their fears into silly costumes will open up the possibilities for young readers to discuss their own fears and how to face them just as Tacky does. As usual, Tacky's entrance is timely and funny, as his costume turns out to be the best of all even after the penguin has a big think (aka a nap). Fans won't be disappointed in this addition, and readers not yet

familiar with the character will find this to be a wondrous introduction. VERDICT A first purchase for general collections and holiday alike. — Ashley Prior, Lincoln Public Library, RI

"Both funny and scary, this entry in the popular Tacky the Penguin series is entertaining from first to last...A Halloween treat for Tacky fans." — Booklist "Halloween has not been as shivery, silly, and satisfying as in this polar romp." — Kirkus "Fans won't be disappointed in this addition, and readers not yet familiar with the character will find this to be a wonderful introduction." — School Library Journal

This was so much fun to read to my first and second graders! They LOVE Tacky! It was wonderful to see the author adding a little more words to the common phrases in Tacky books. My students LOVED it. Hands down. 5 stars.

Tacky is my favorite penguin. This story was so wonderful. I do not know how I missed it's release in 2015. We read it in class even though it is long passed Halloween. Don't miss this glorious book.

I love the Tacky books, and this one lived up to expectations! I will say however, that the story is better if you already know the characters and have read the very first book - there's a bit of a tag-back.

All the Tacky Books are favorites when I read in the classrooms. I just read Tacky's Halloween adventures to 4 classes today.

It's great to have a new Tacky book. My daughter has all of them. She is 6yrs. and this is probably her number 3 favorite out of all Tacky books.

As always Tacky is an odd bird, but a nice bird to have around — The children loved it!

This is a Christmas present for my daughter who is a teacher

Who doesn't love Tacky the Penguin? My kindergarten students always love Tacky. This was a great addition to my collection.
