Inspiring And Supporting Behavior Change: A Food, Nutrition, And Health Professional's Counseling Guide, Second Edition

Synopsis

Do your patients resist behavior change? Do you need tips and tools to help empower your patients on the road to better health? This guide will help you move your patients toward change. Topics include the transtheoretical model and stages of change; the chronic care model; motivational interviewing; goal setting; building long-term support for patients; helping patients find resources beyond nutrition counseling; health literacy; cultural diversity; and addressing biases in health care.
