“You are welcomed into his world to experience the drama of what it is like to be a Jewish person loudly proclaiming the Messiahship of Jesus. Rabbi Schneider has a supernatural call to awaken the Christian Church to her Jewish roots, calling her to be a witness to the Jewish people.”
— Sid Roth, Host of *It’s Supernatural!* television

Messianic Rabbi K.A. Schneider is a born again Jew who came to faith in Messiah Jesus (Yeshua) in 1978. Jesus appeared to him in a vision, in the middle of the night. he is the host of the

International television broadcast "Discovering the Jewish Jesus," which shows, with exceptional clarity, how the Old and New Testaments connect, and how Jesus completes the unfolding plan of God. Rabbi Schneider is an End Times messenger of the LORD. He is crying out, as John the Baptist, to prepare the world for Messiah's coming. He presently resides in a midwestern state of the United States, is married and has two daughters.  

Rabbi Schneider Is An Authority On Messianic Judaism, I'm Catholic And I Find Real Value On Rabbi's Take On The Whole Of Gods Work Via The Old And New Testament And How They Mirror Each Other And Are Linear In Their Context When Scrutinized With A Faithful Heart. My Only Real Criticism Of This Book Is That It Was Too Short And I Wish There Was More From This Author On This Subject.

I love watching and reading everything Rabbi Sneider. He truly radiates the Love of God and I have learned more about the Word of God through watching his shows and reading his books than I have ever learned from any church sermon I have ever attended. He connects the Old and New Testament and helps you to understand how they were meant to work together.

Rabbi Schneider gives a brief Bio of how a vision brought him to Christianity and then how he struggled to find how God could use him to lead Jews to the understanding of Jesus as the Messiah prophesied in Torah and the Prophets and Praises. Also, it provides the Christian with an inspiring view and knowledge of the Judaic roots of Jesus and the Christian faith.

God has lifted up several voices from a number of Messianic Rabbis who have great insight from the old testament that verifies the new testament and gives the reader great revelation.

You realize that this is written by someone who has spent alot of time seeking God. The writer presents the gospel message so clearly, and inspires you to go out and share this with the world around you. This book isn't just for new believers, but for anyone that needs to re-clarify their walk with Jesus. This is also a great book to give to unbelievers, and skeptics. I cannot do this review justice by my own words...just get the book.

Loved this book! Very uplifting!

If you want a deeper understanding of the Word of God and how the old and new testaments connect to each other, you will learn how to minister to non believers and to Jewish people in order to bring them into an understanding of Christ. I am an African American woman who enjoys the program Discovering the Jewish Jesus and who has learned a lot from this anointed book. Well done and may God continue to bless you and your ministry by reaching Jewish and Gentile believers. Excellent book!
